

Group 1

Max N. (67A), Pawsana L. (65A), Qianna T. (65B), and Millie J. (66A)

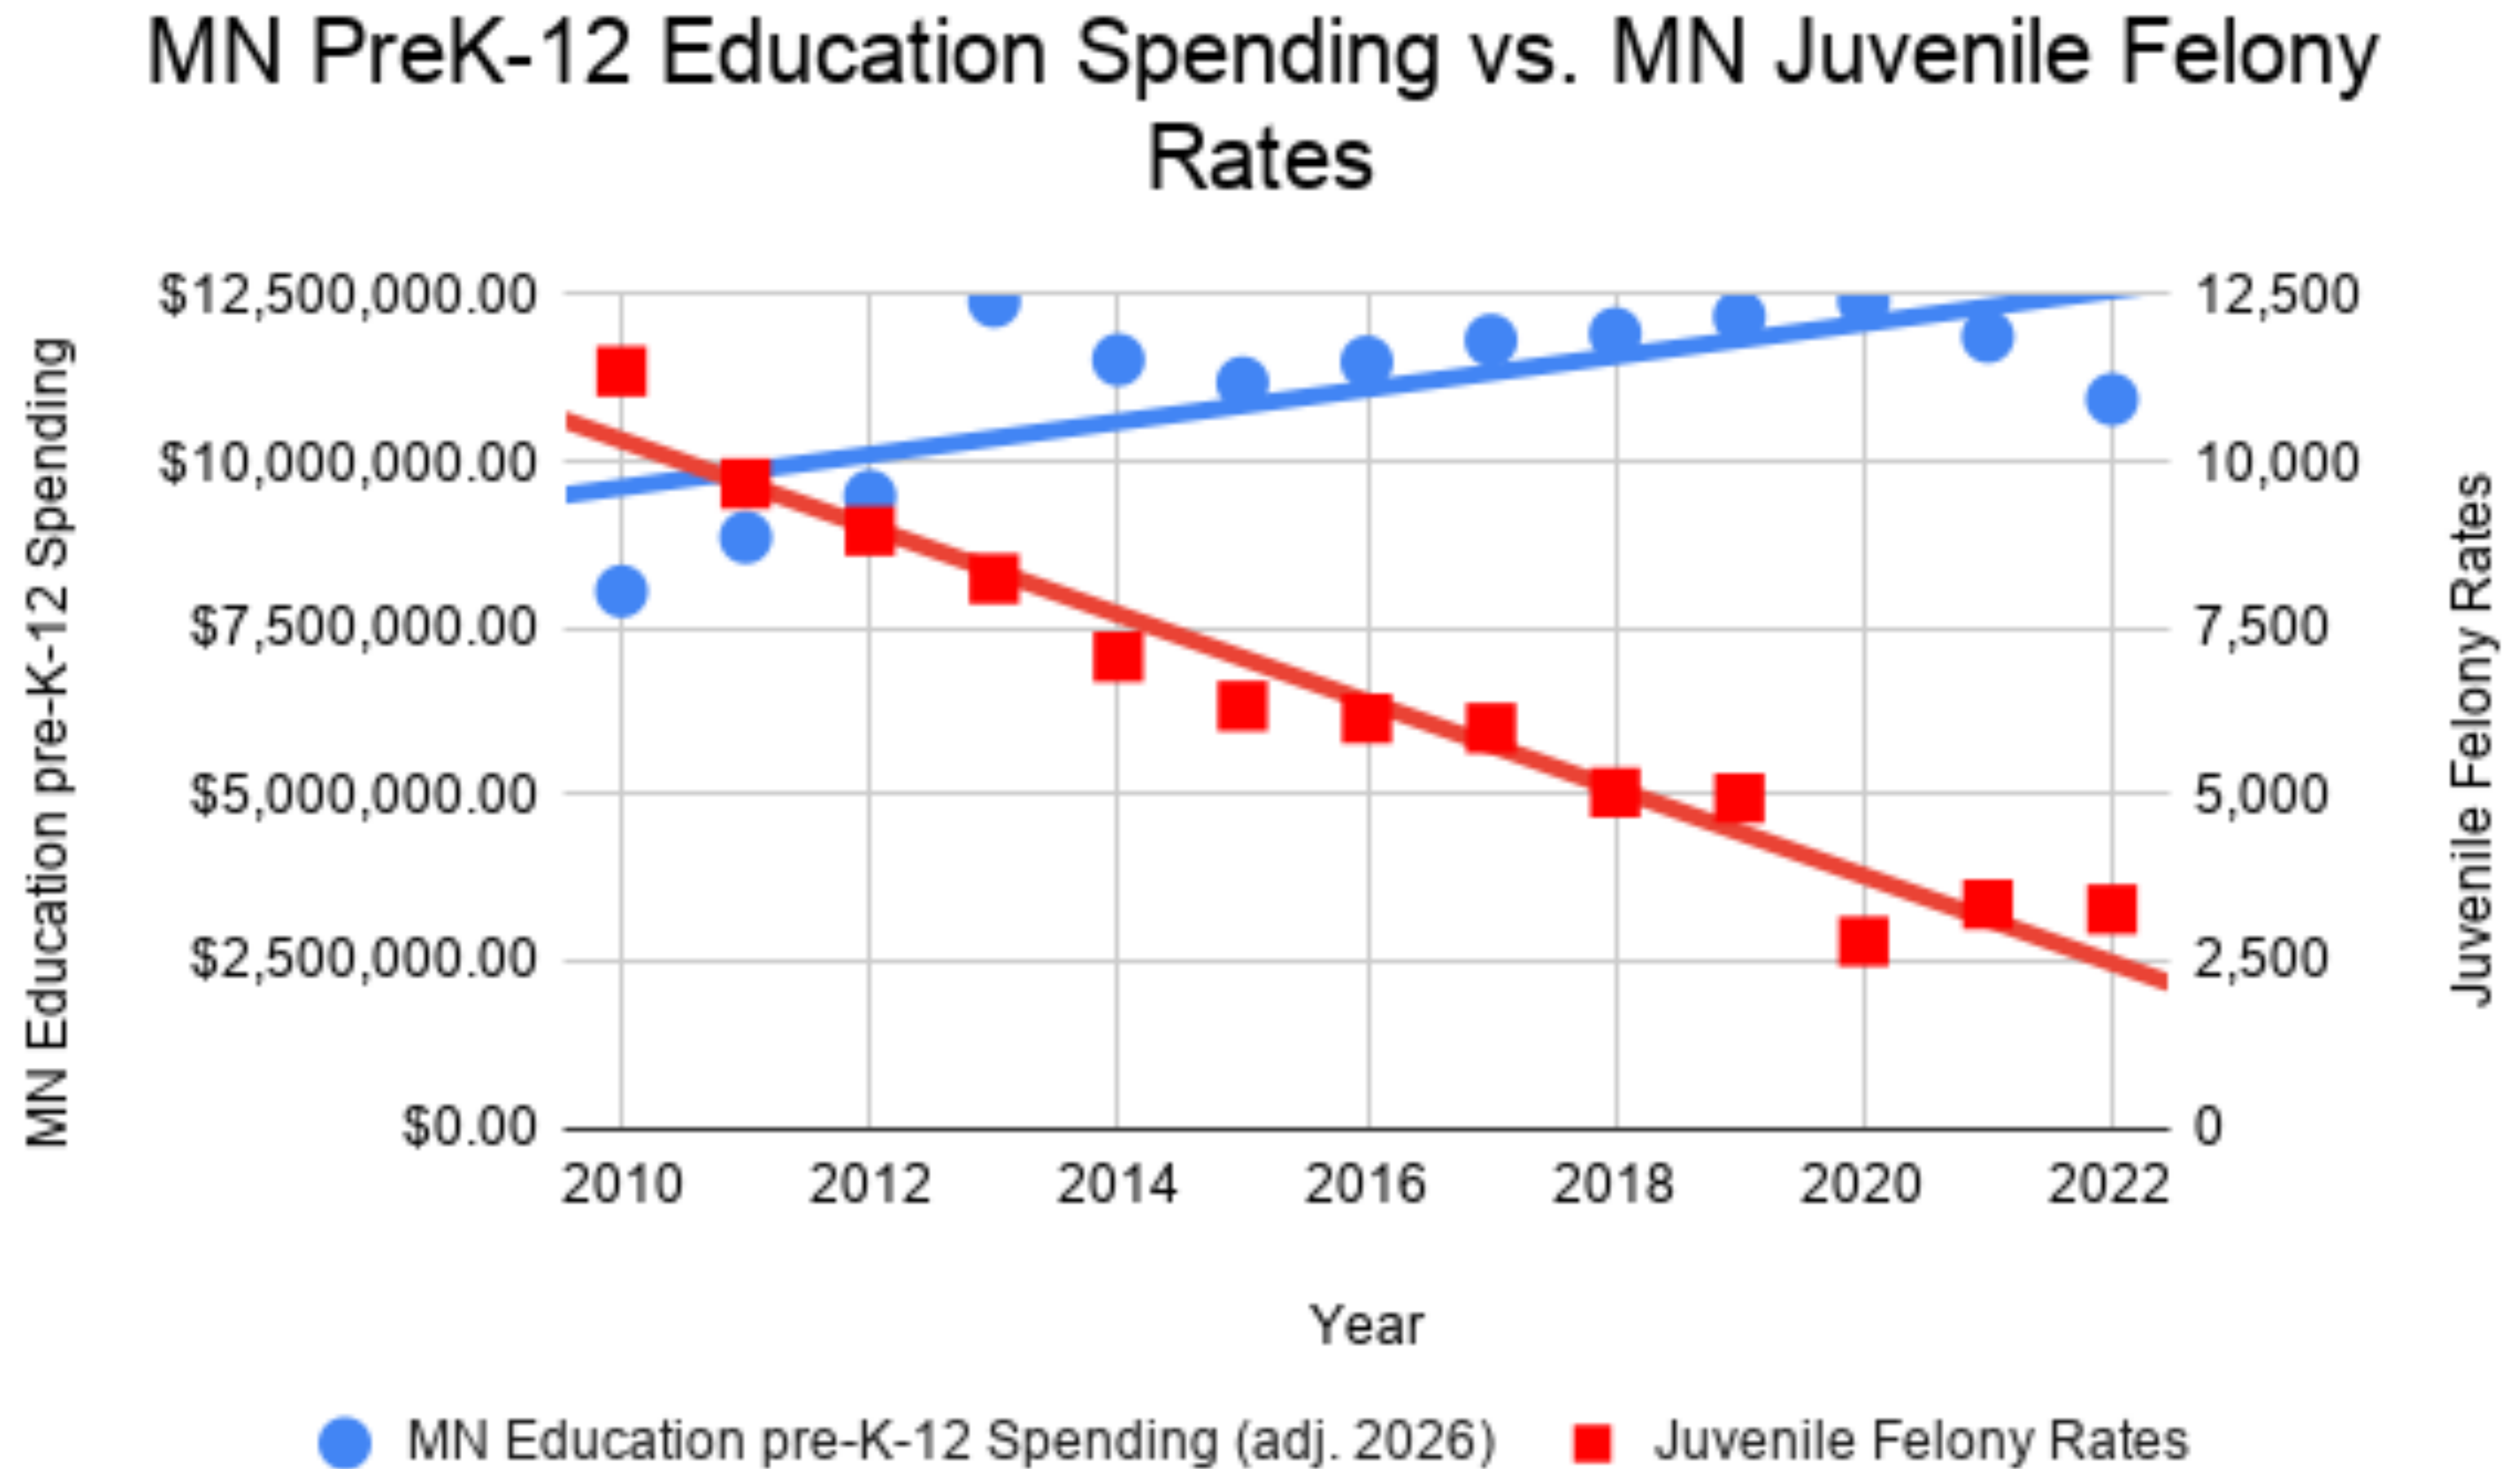

MN Healthcare Spending vs. Suicide Rate

We need to raise the healthcare spending in MN because if we do, then the suicide rate will go down.

Group 2

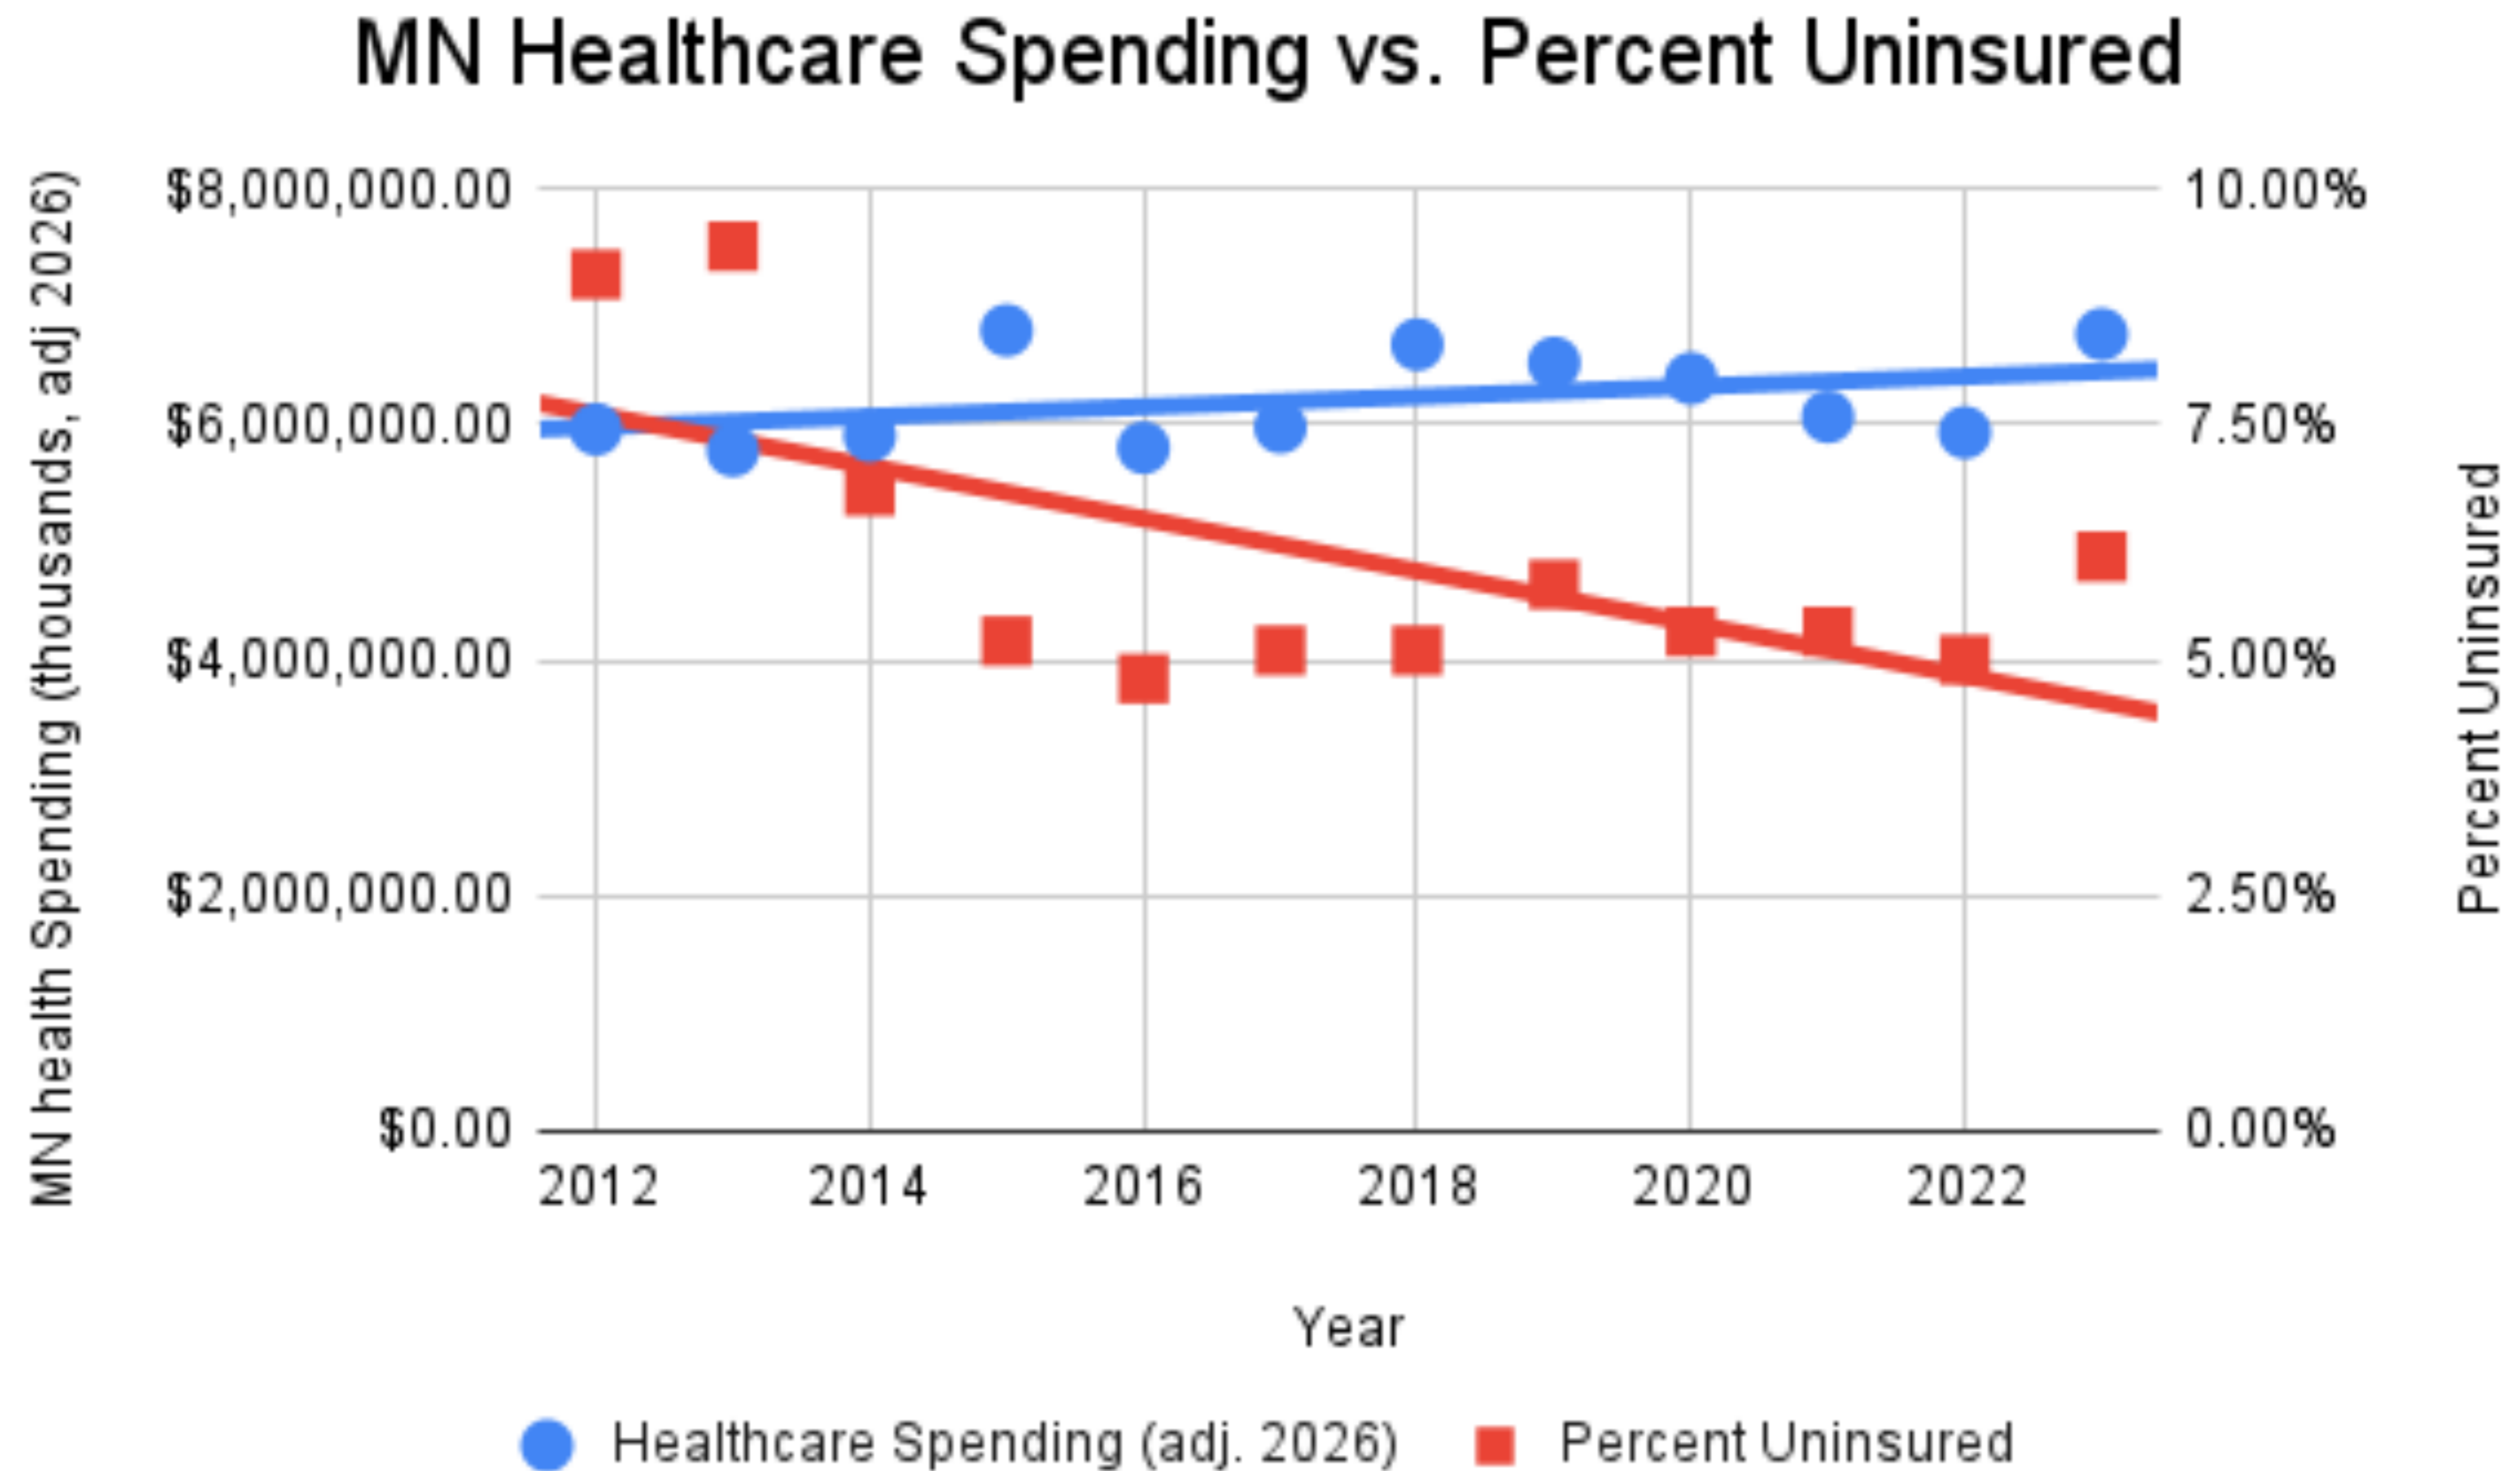

Elsa H. (67A), Sadie W. (66B), Ceci C. (66B), and Audrina W. (67A)

Regularly spending money on PreK-12 education in Minnesota enables, and helps children to have a chance of life outside of crime.

Group 3

Isabelle T. (67A), Vivien Y. (67A), and Sarisella X. (44B)

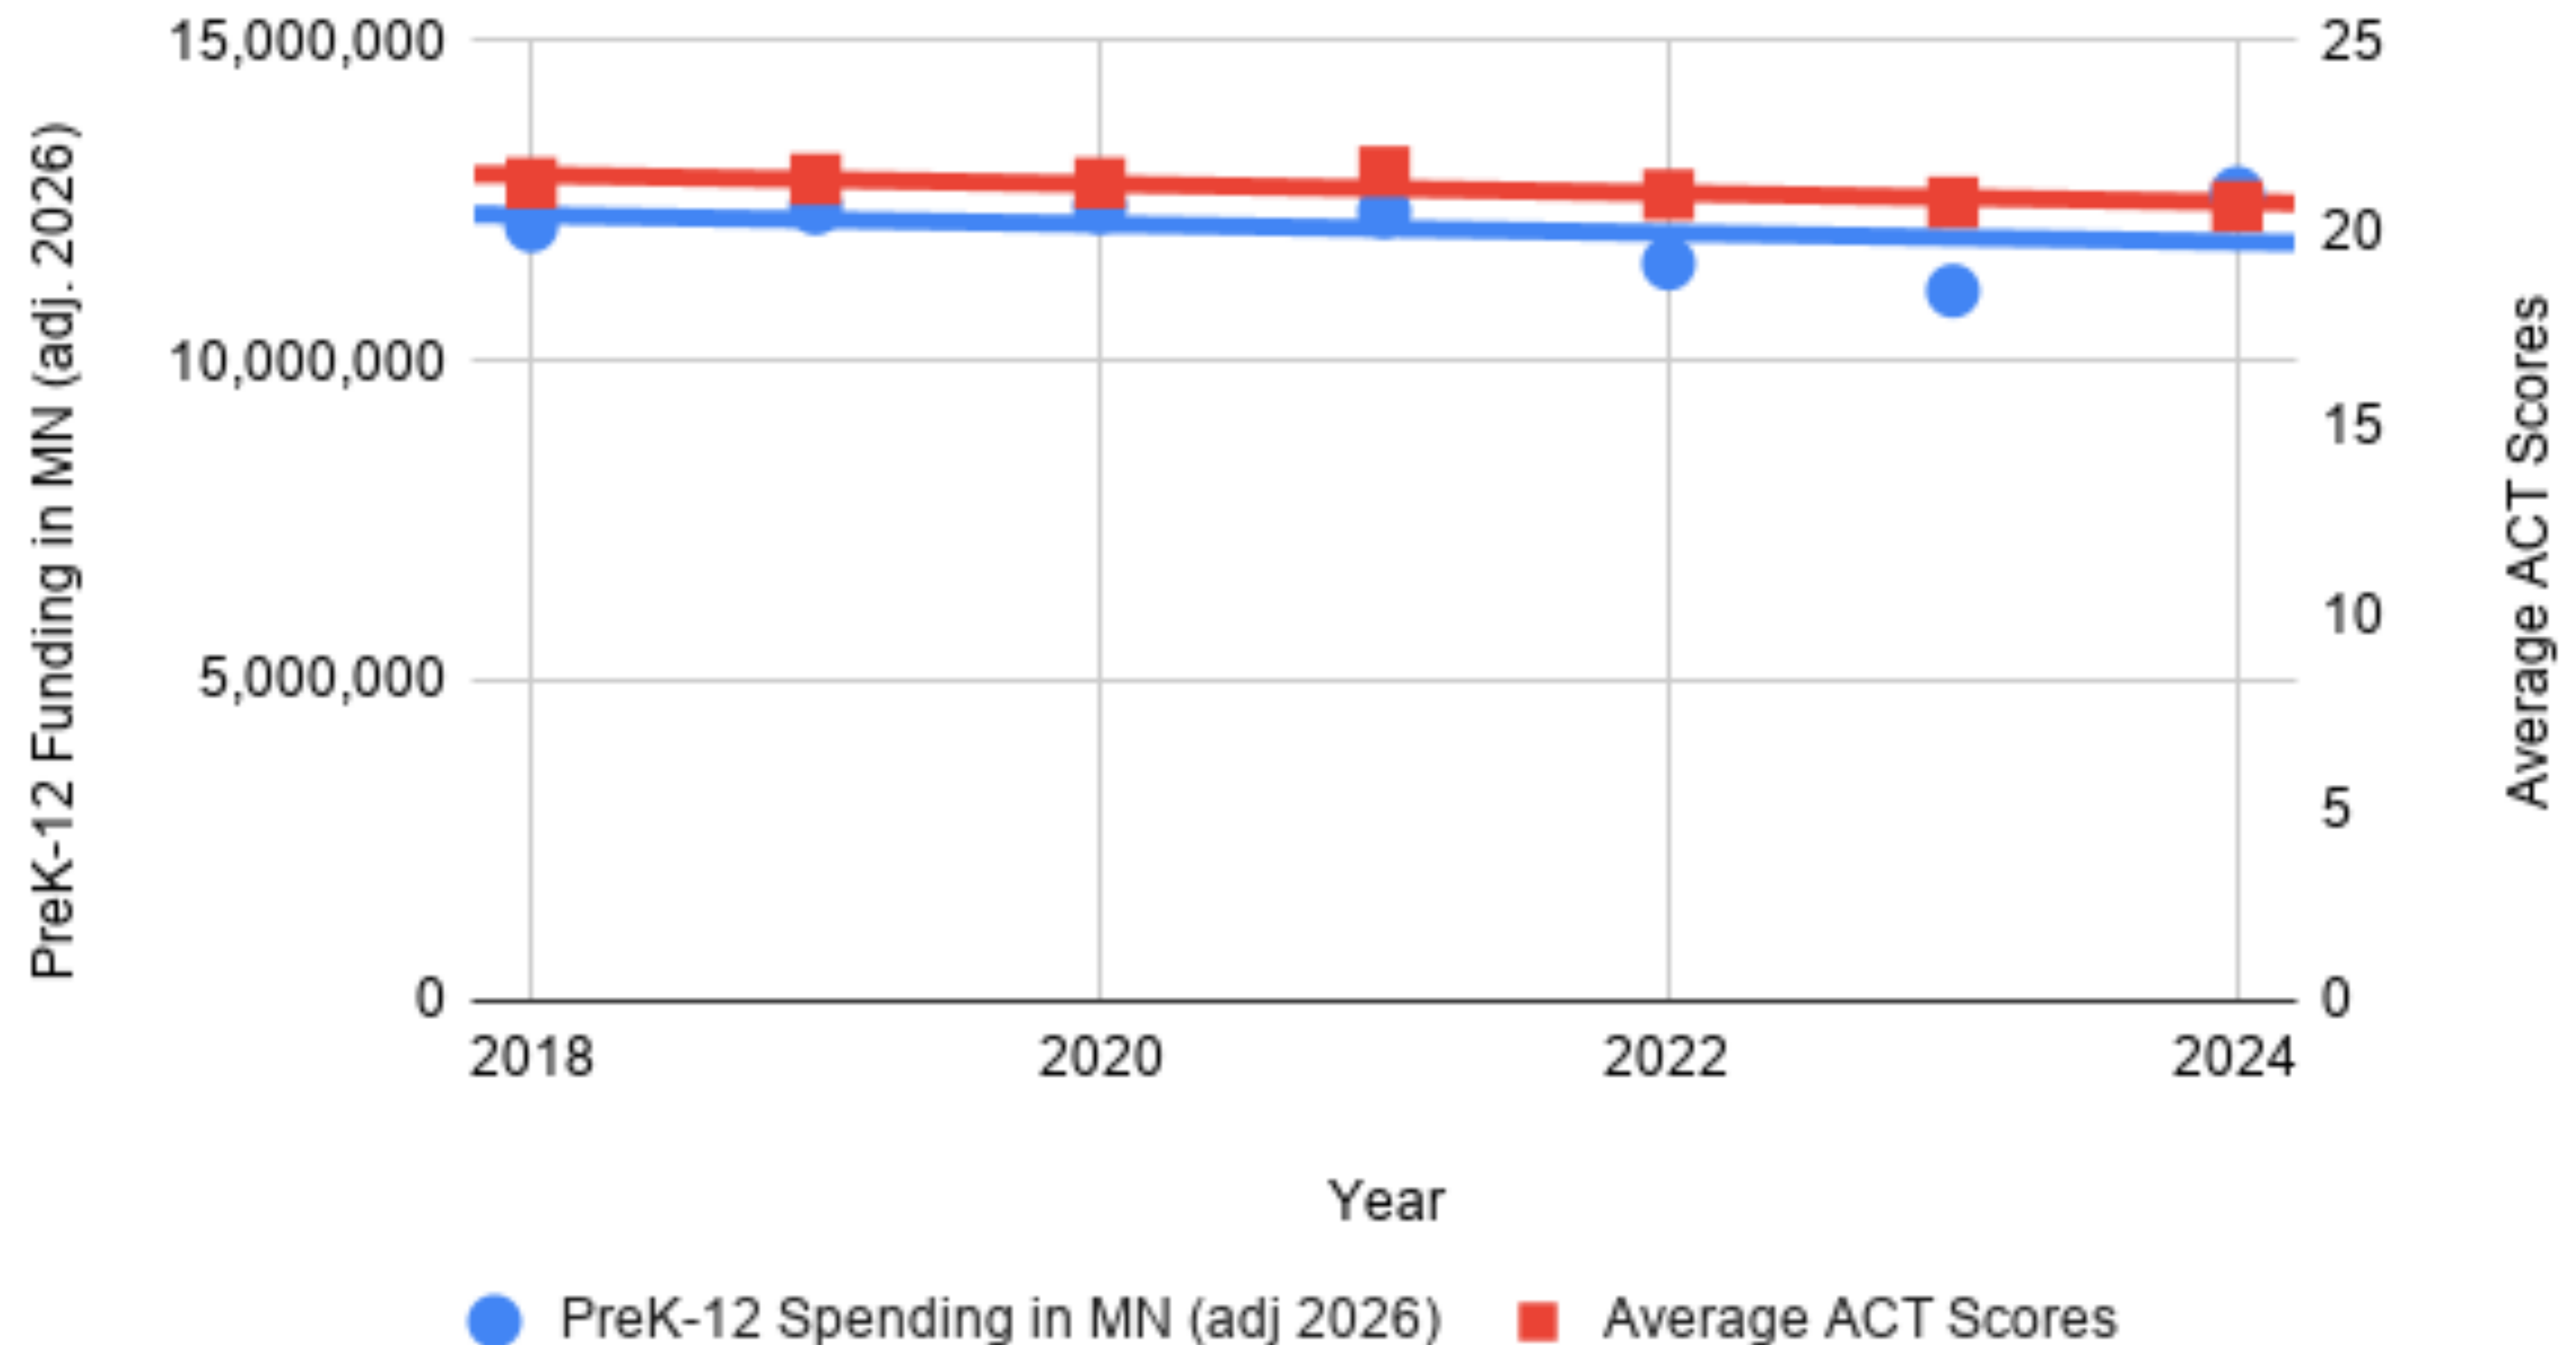

Minnesota must increase healthcare spending now. By investing more resources, we will lower uninsured rates and ensure every citizen receives essential care.

Group 4

Oliver L. (64B), Ben C. (67A), Ethan M. (65A), and Hughes M. (64A)

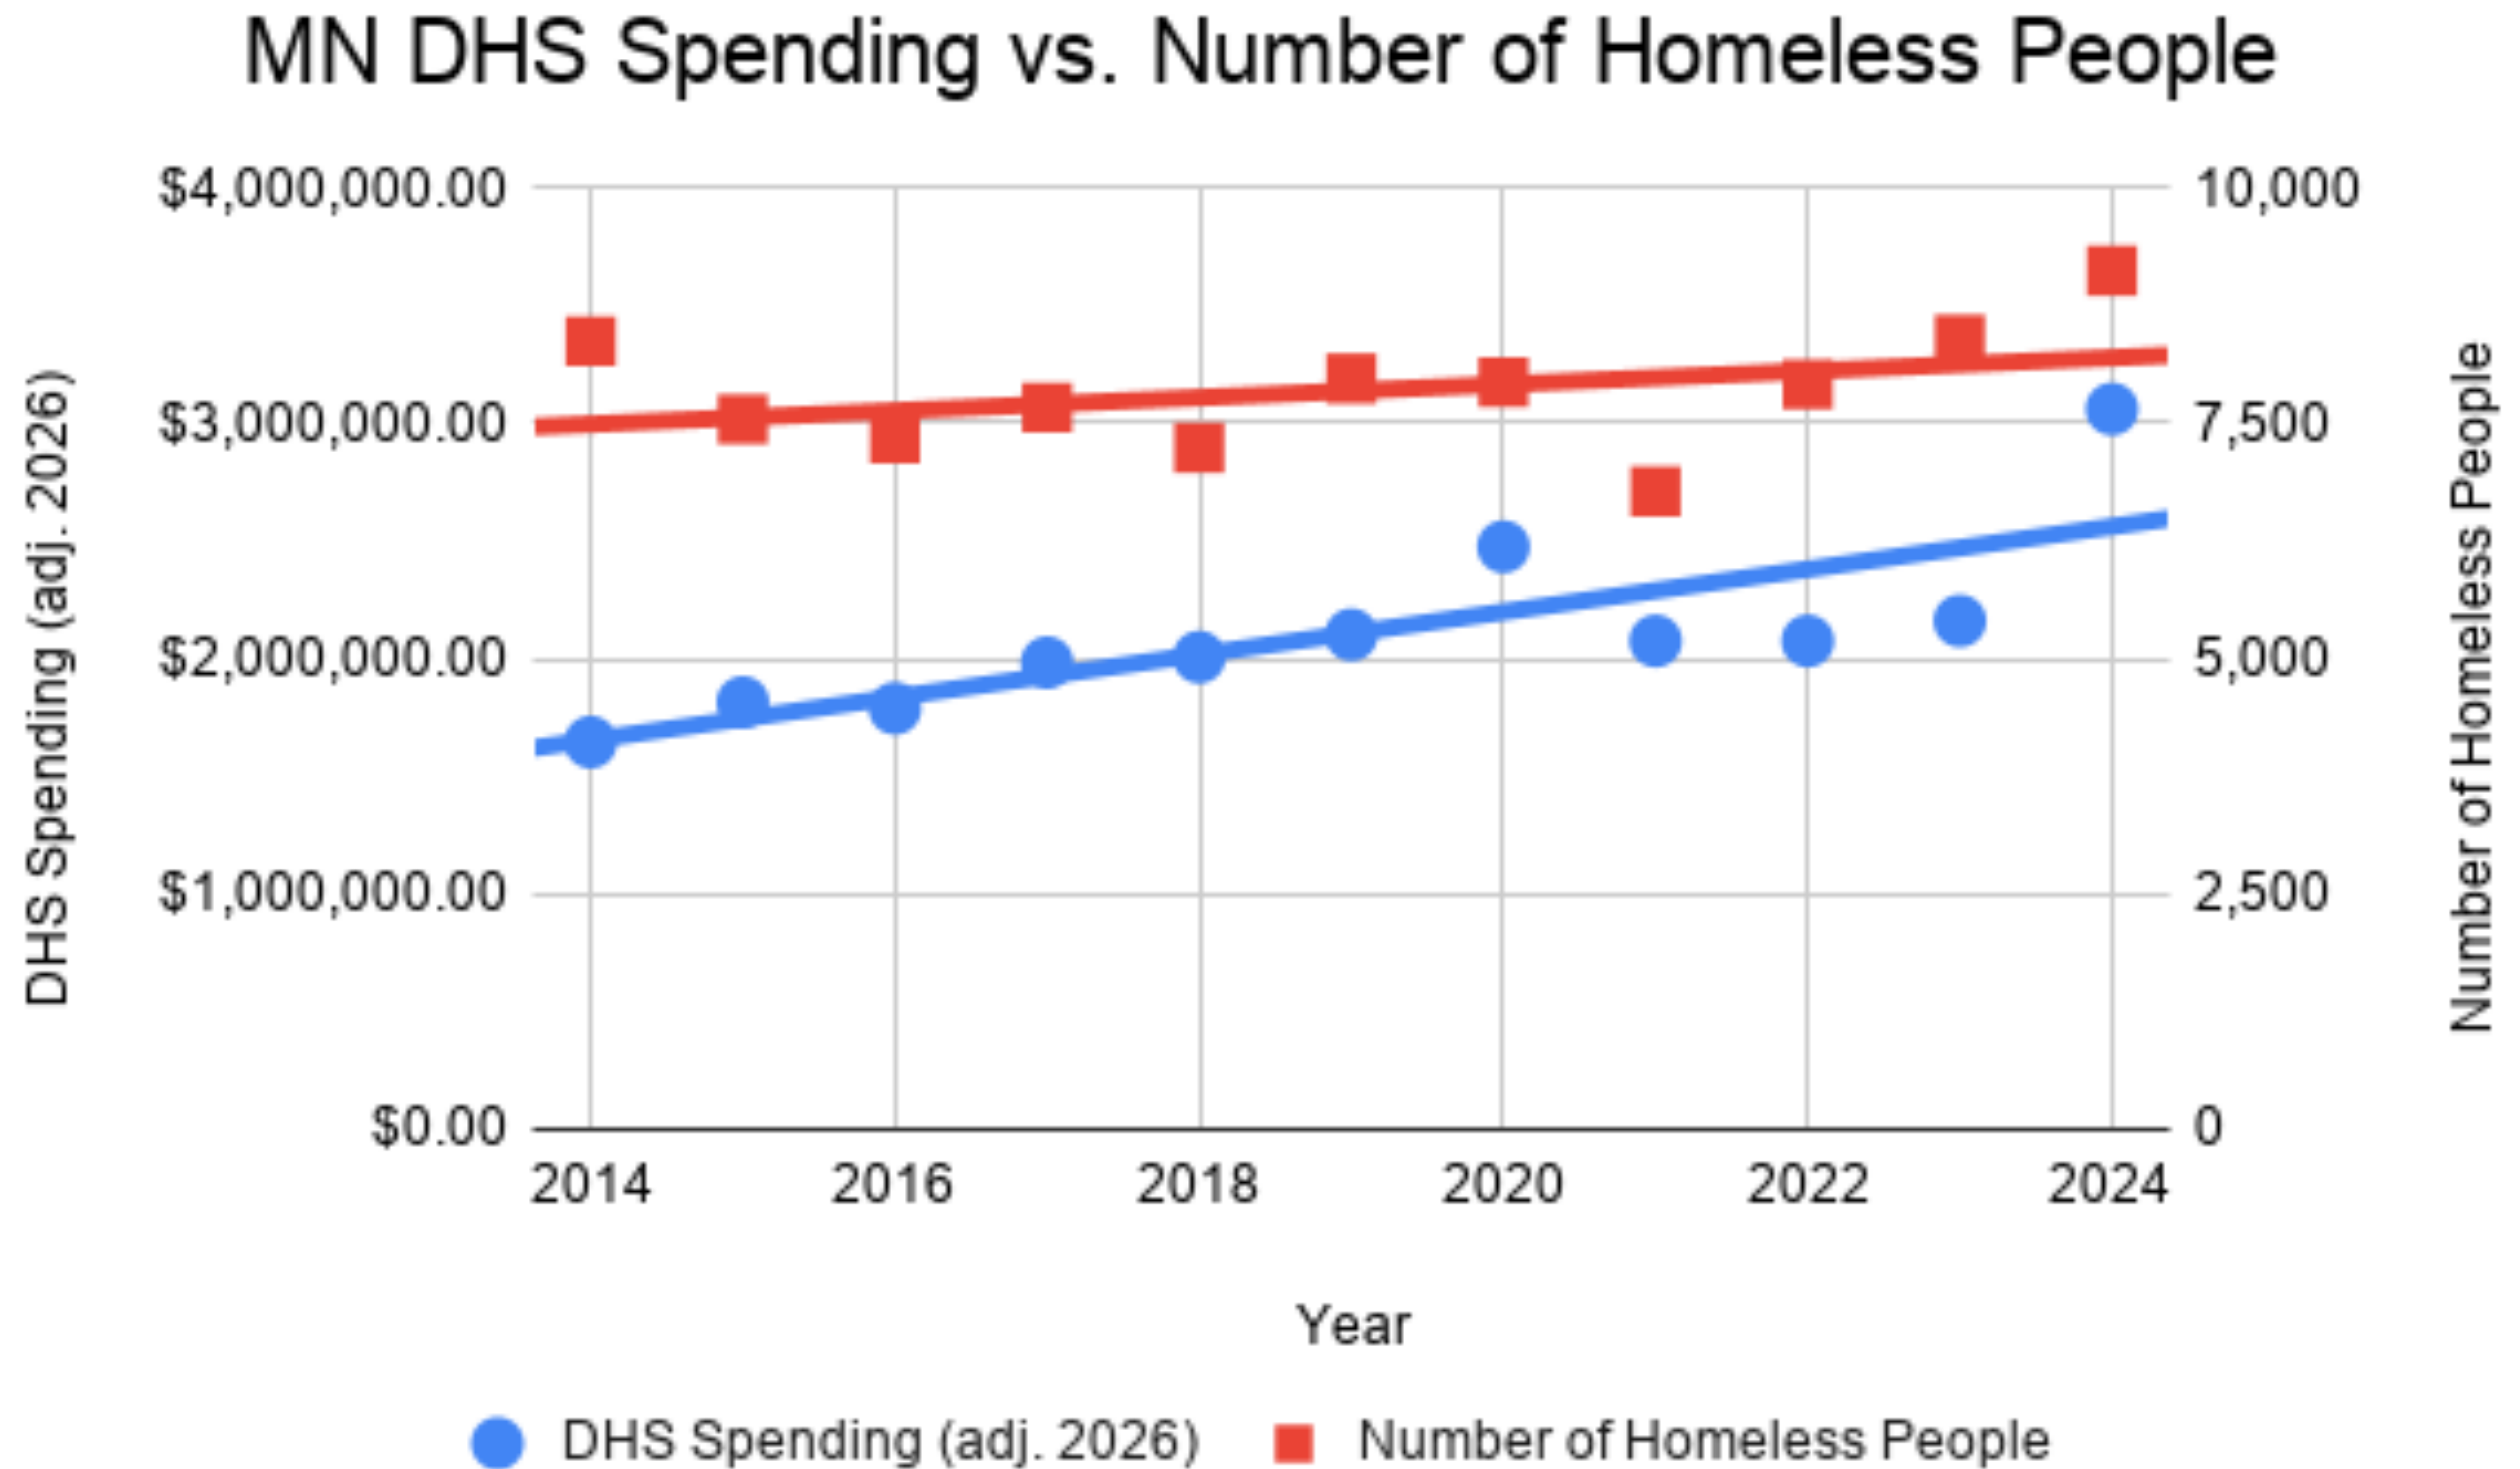

MN PreK-12 Education Spending vs. Average ACT Scores

We ask you to spend more money on funding for PreK-12 education because it will raise ACT scores and prepare students for life.

Group 5

Clara B. (64A), Fuji T. (65A), and Rocio H. (65B)

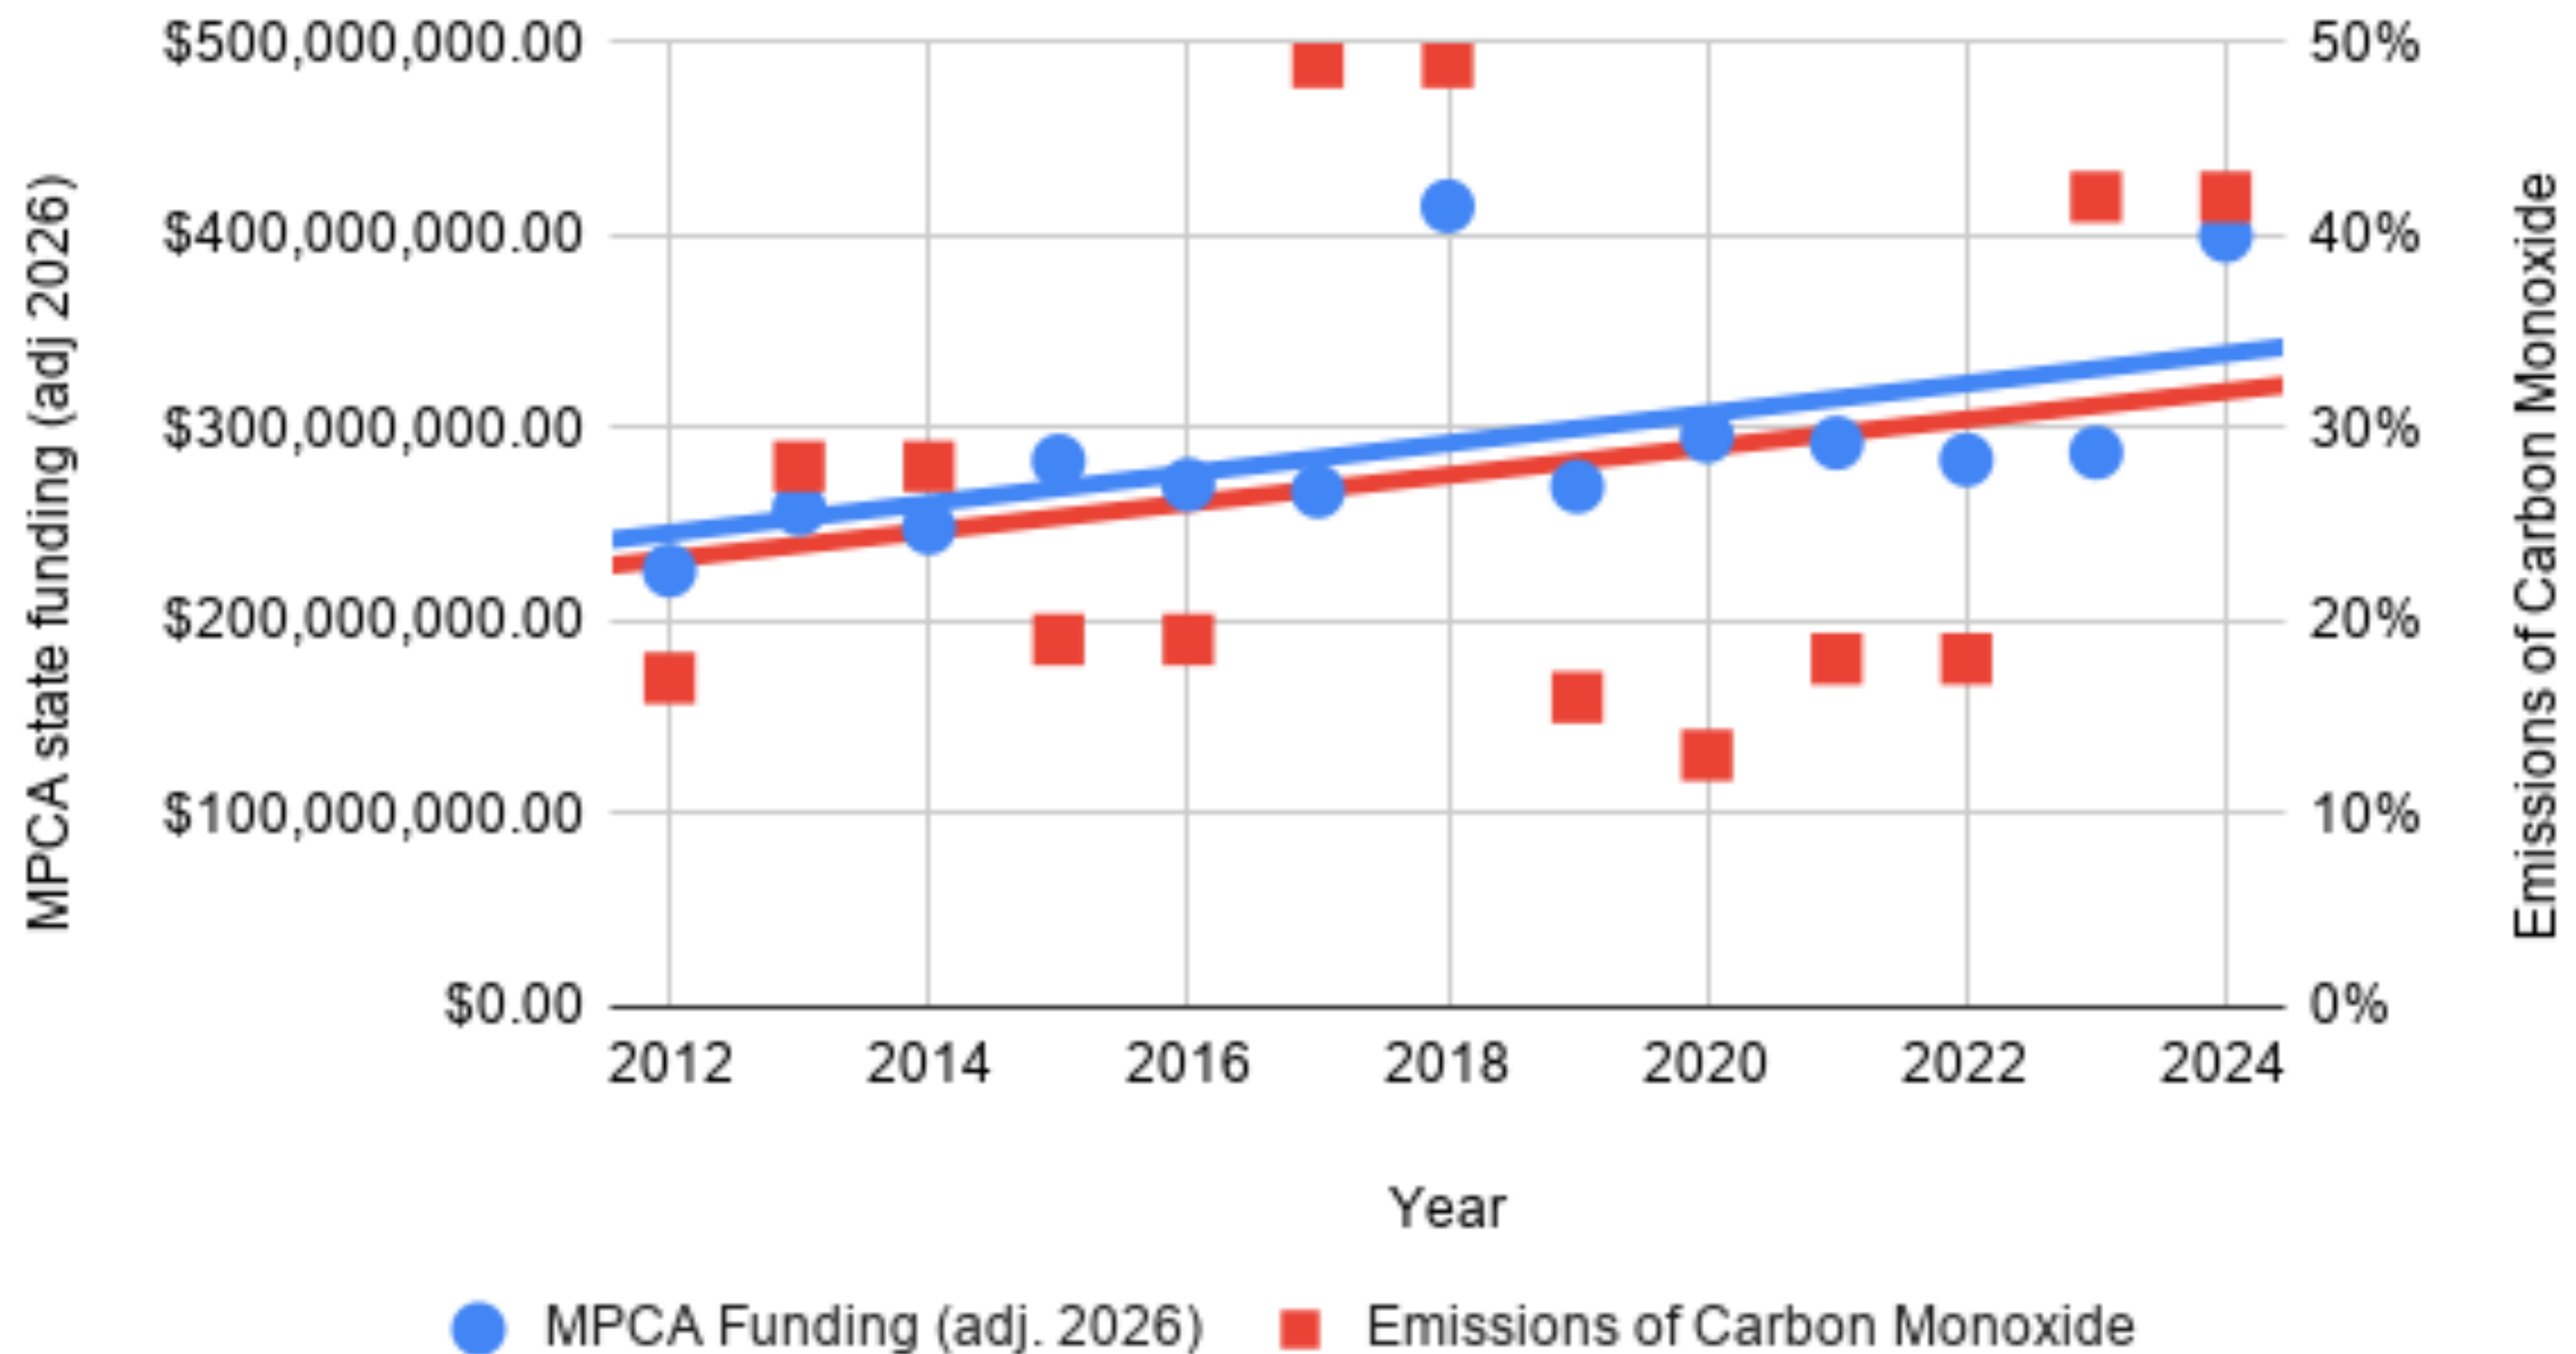

Homeless rates in Minnesota are increasing, let's increase our support to give them the help they need to get back on their feet.

Group 6

Xio S. (64B), Charlotte S. (66B), Anna F. (64B), and Ollie G. (66B)

State Funding of MPCA vs. Emissions of Carbon Monoxide

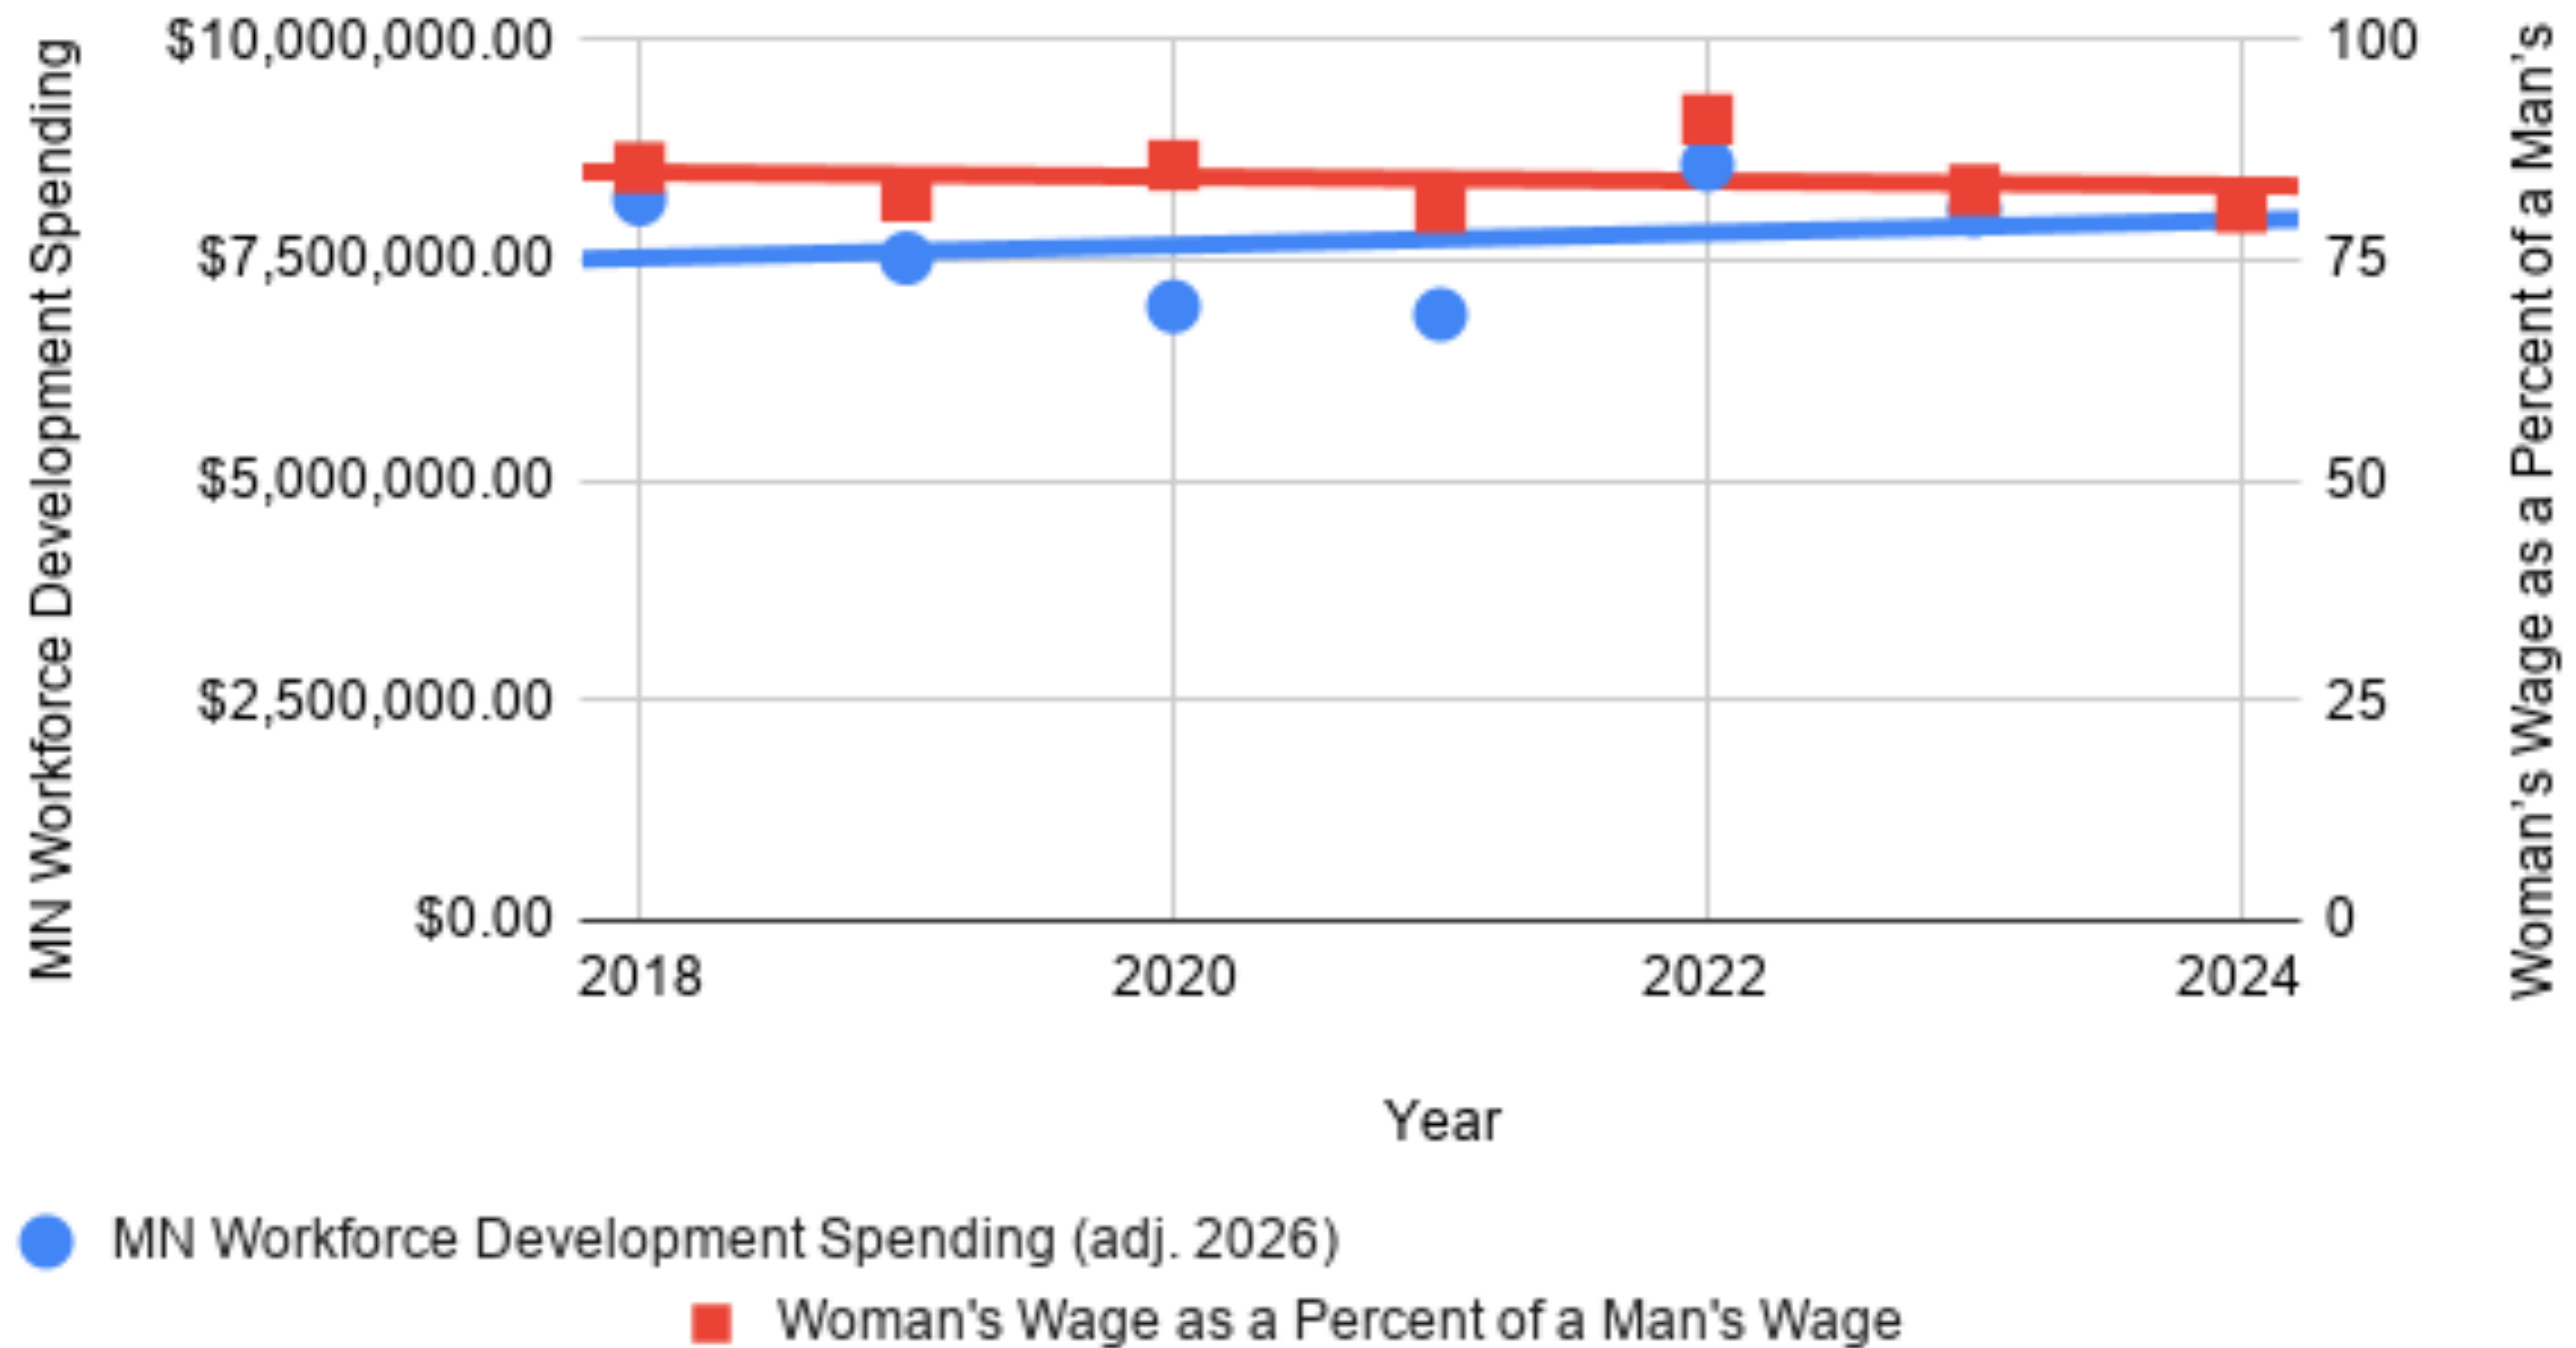

Air pollution is a very serious problem and we need to stop it by stopping carbon emissions and finding eco-friendly solutions.

Group 7

Sally K. (66B), Finnley F. (64A), and Lydia M. (67B)

MN Workforce Development Spending vs. Women's Wage

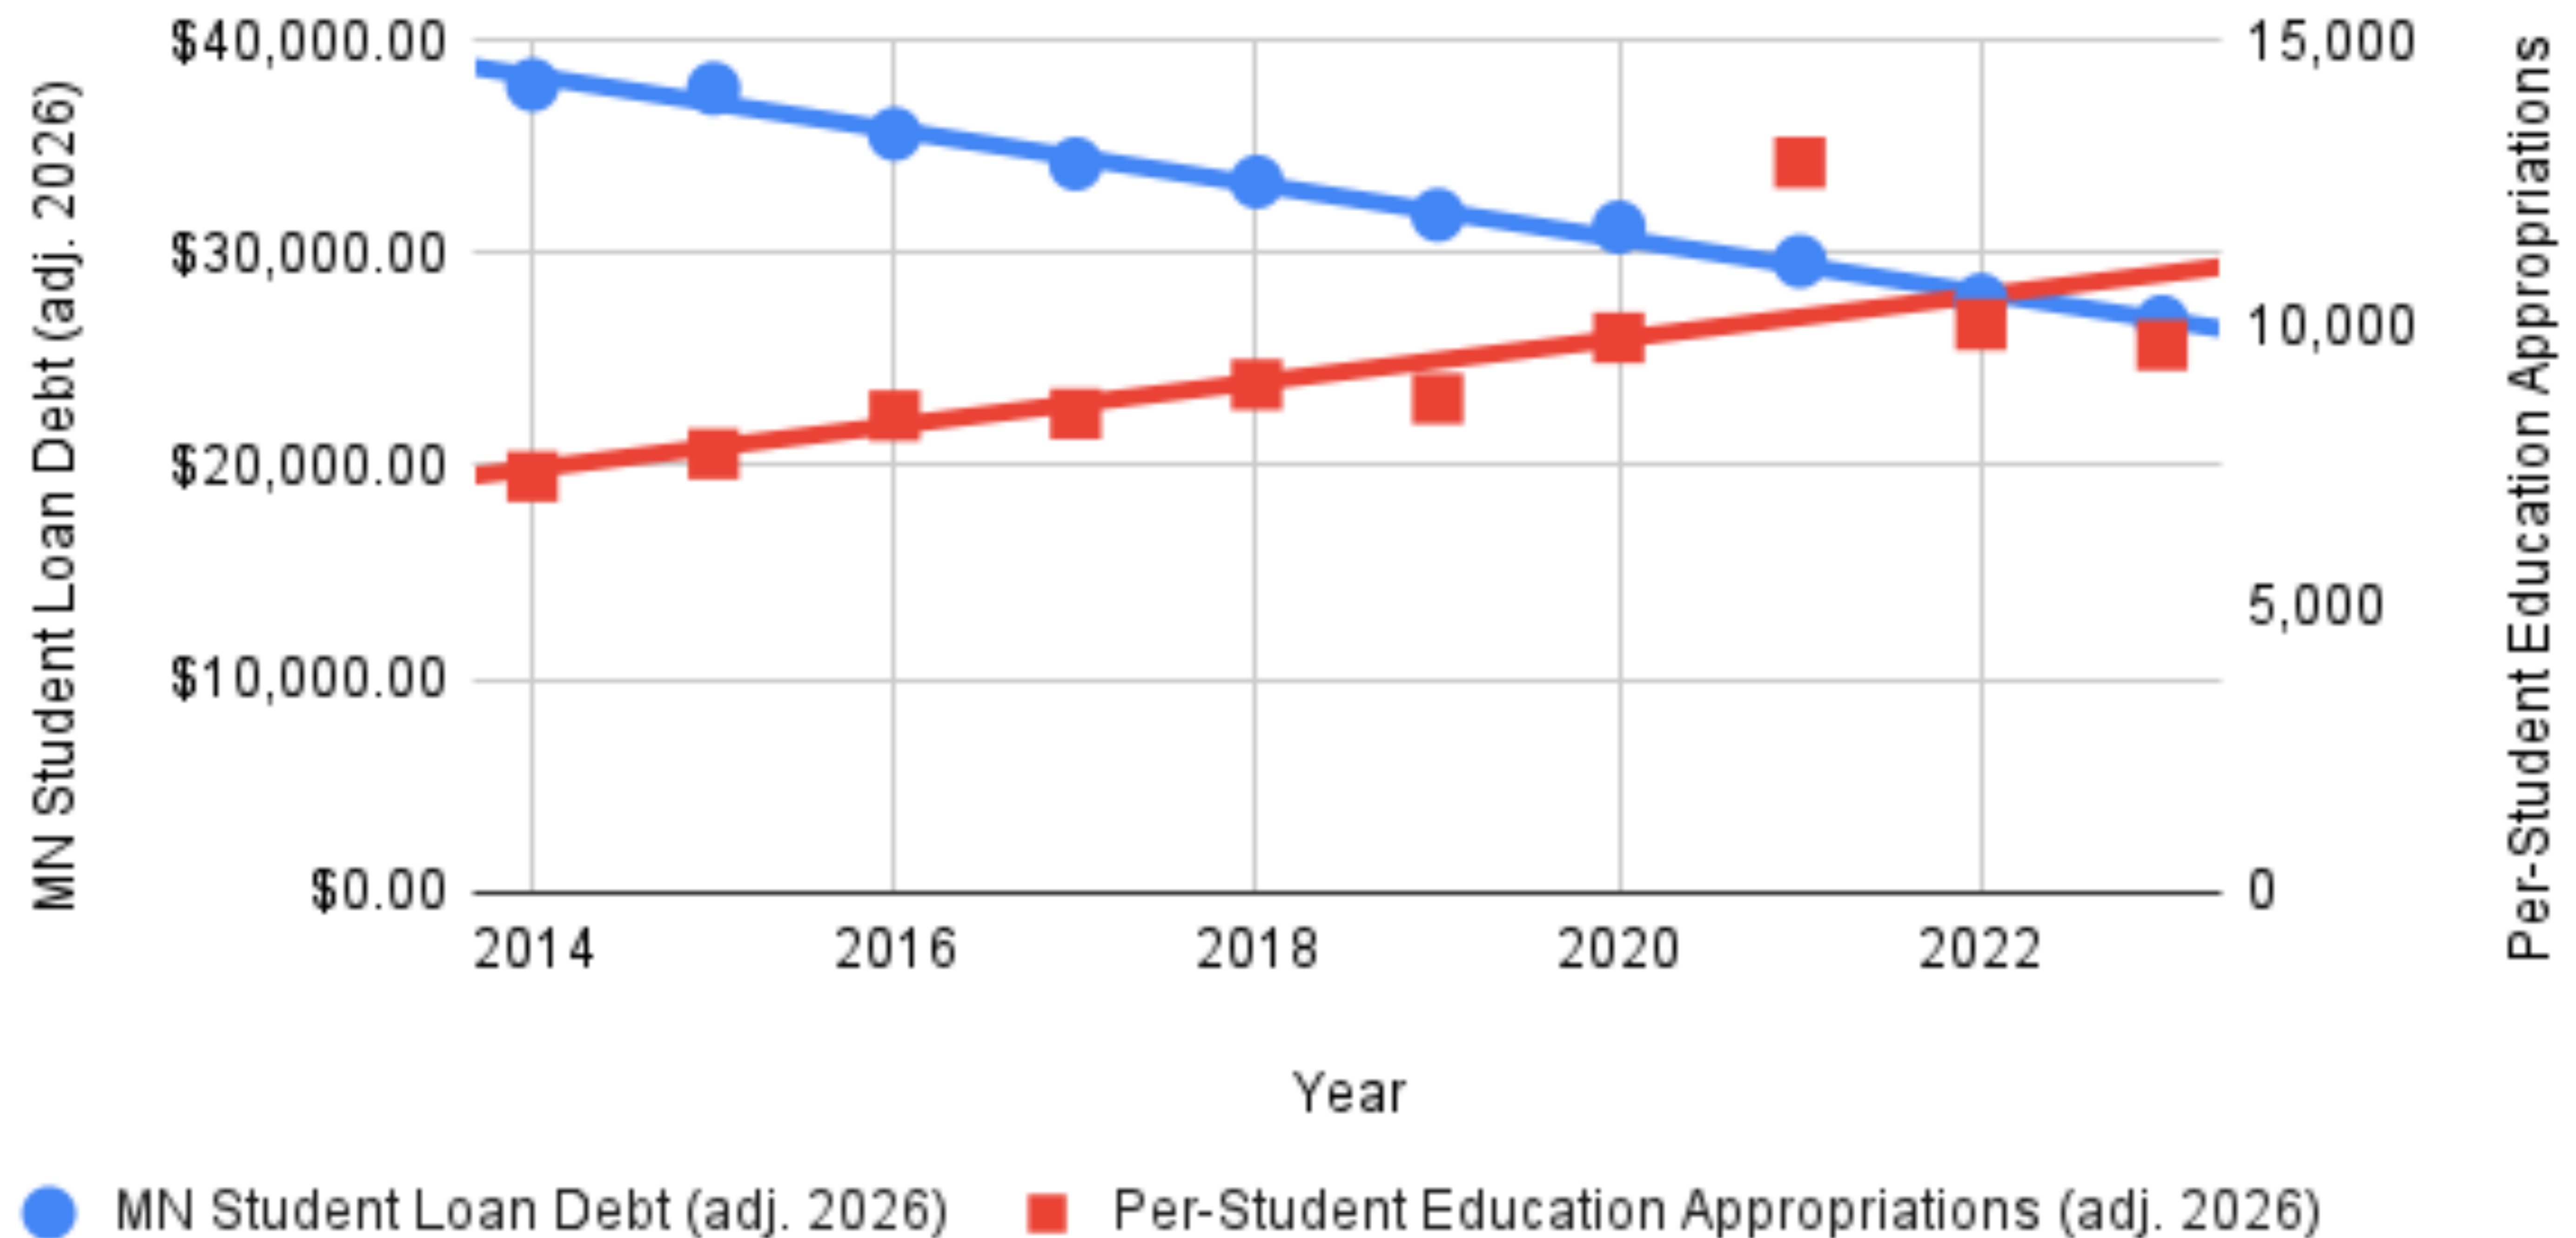

Workforce Development spending needs to increase in order to bridge the unjustified gap between women's wages and men's wages.

Group 8

Melita A. (64A), Isabel B. (64A), Junia G. (64B), and Rain T. (64B)

MN Student Loan Debt vs. Per-Student Education Appropriations

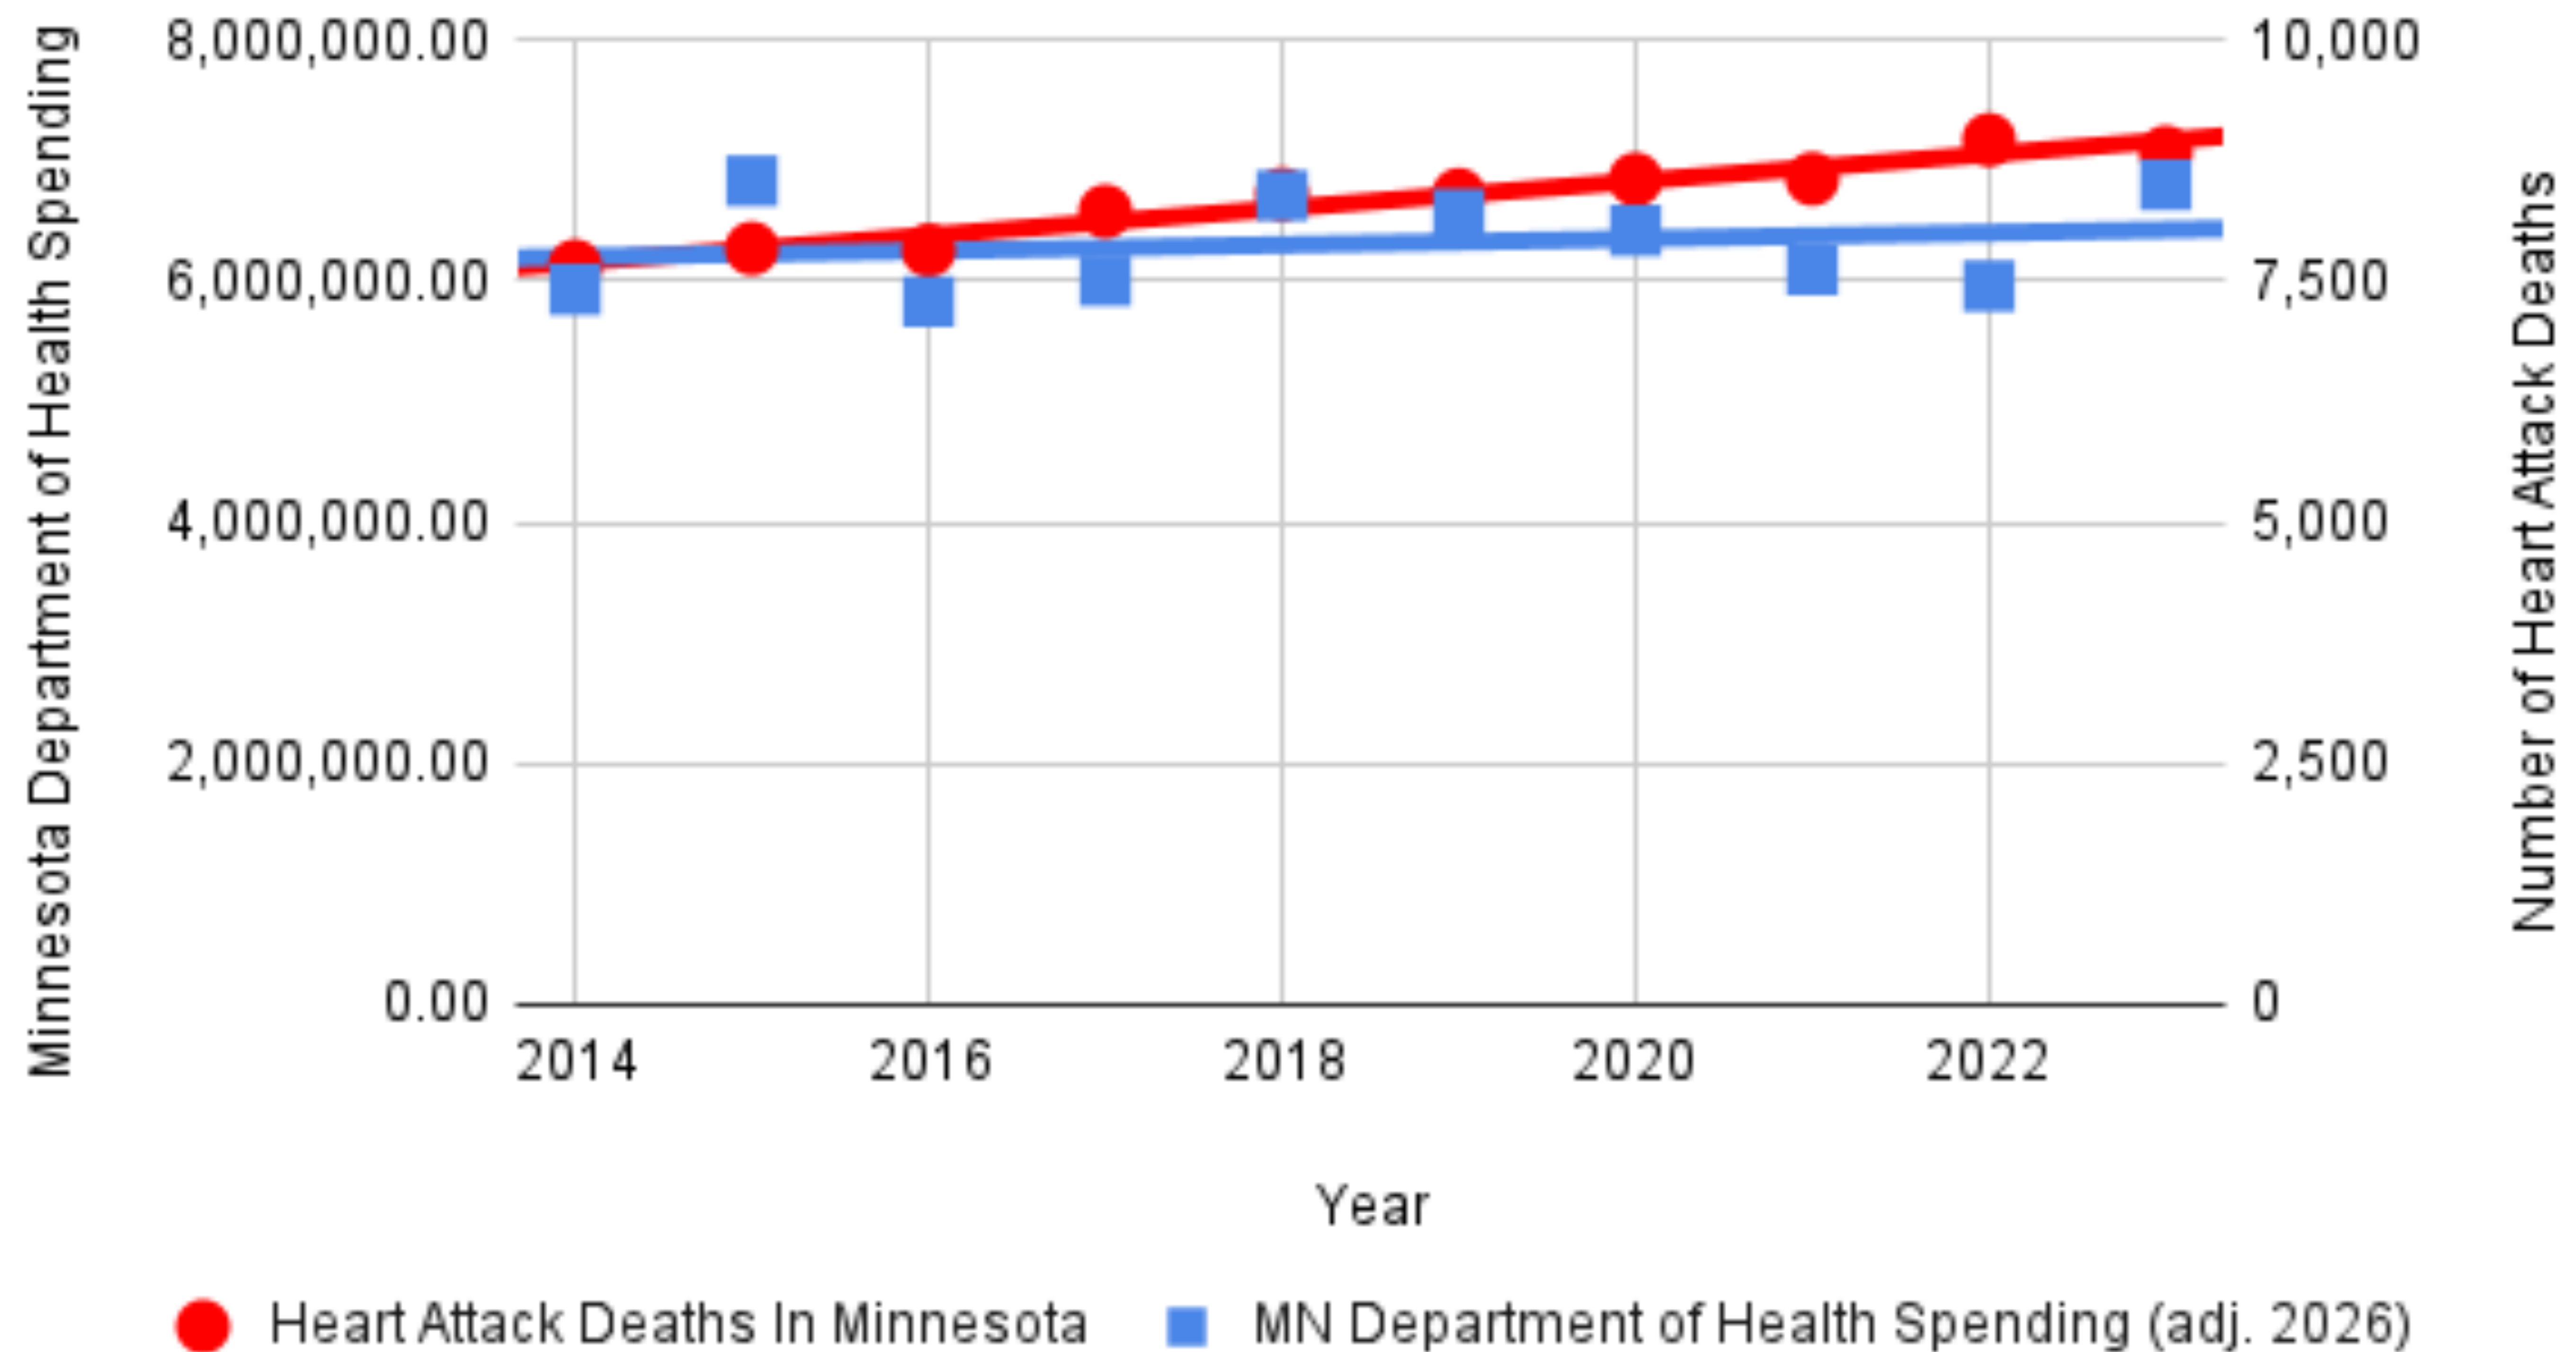

Student loan debt is a big problem. The government should keep helping pay off student loan debt to lower debt rates further.

Group 9

Ciaran S. (66A), Theo M. (66B), Otis O. (64A), and Xavier L. (65A)

MN Department of Health Spending vs. Heart Attack Deaths

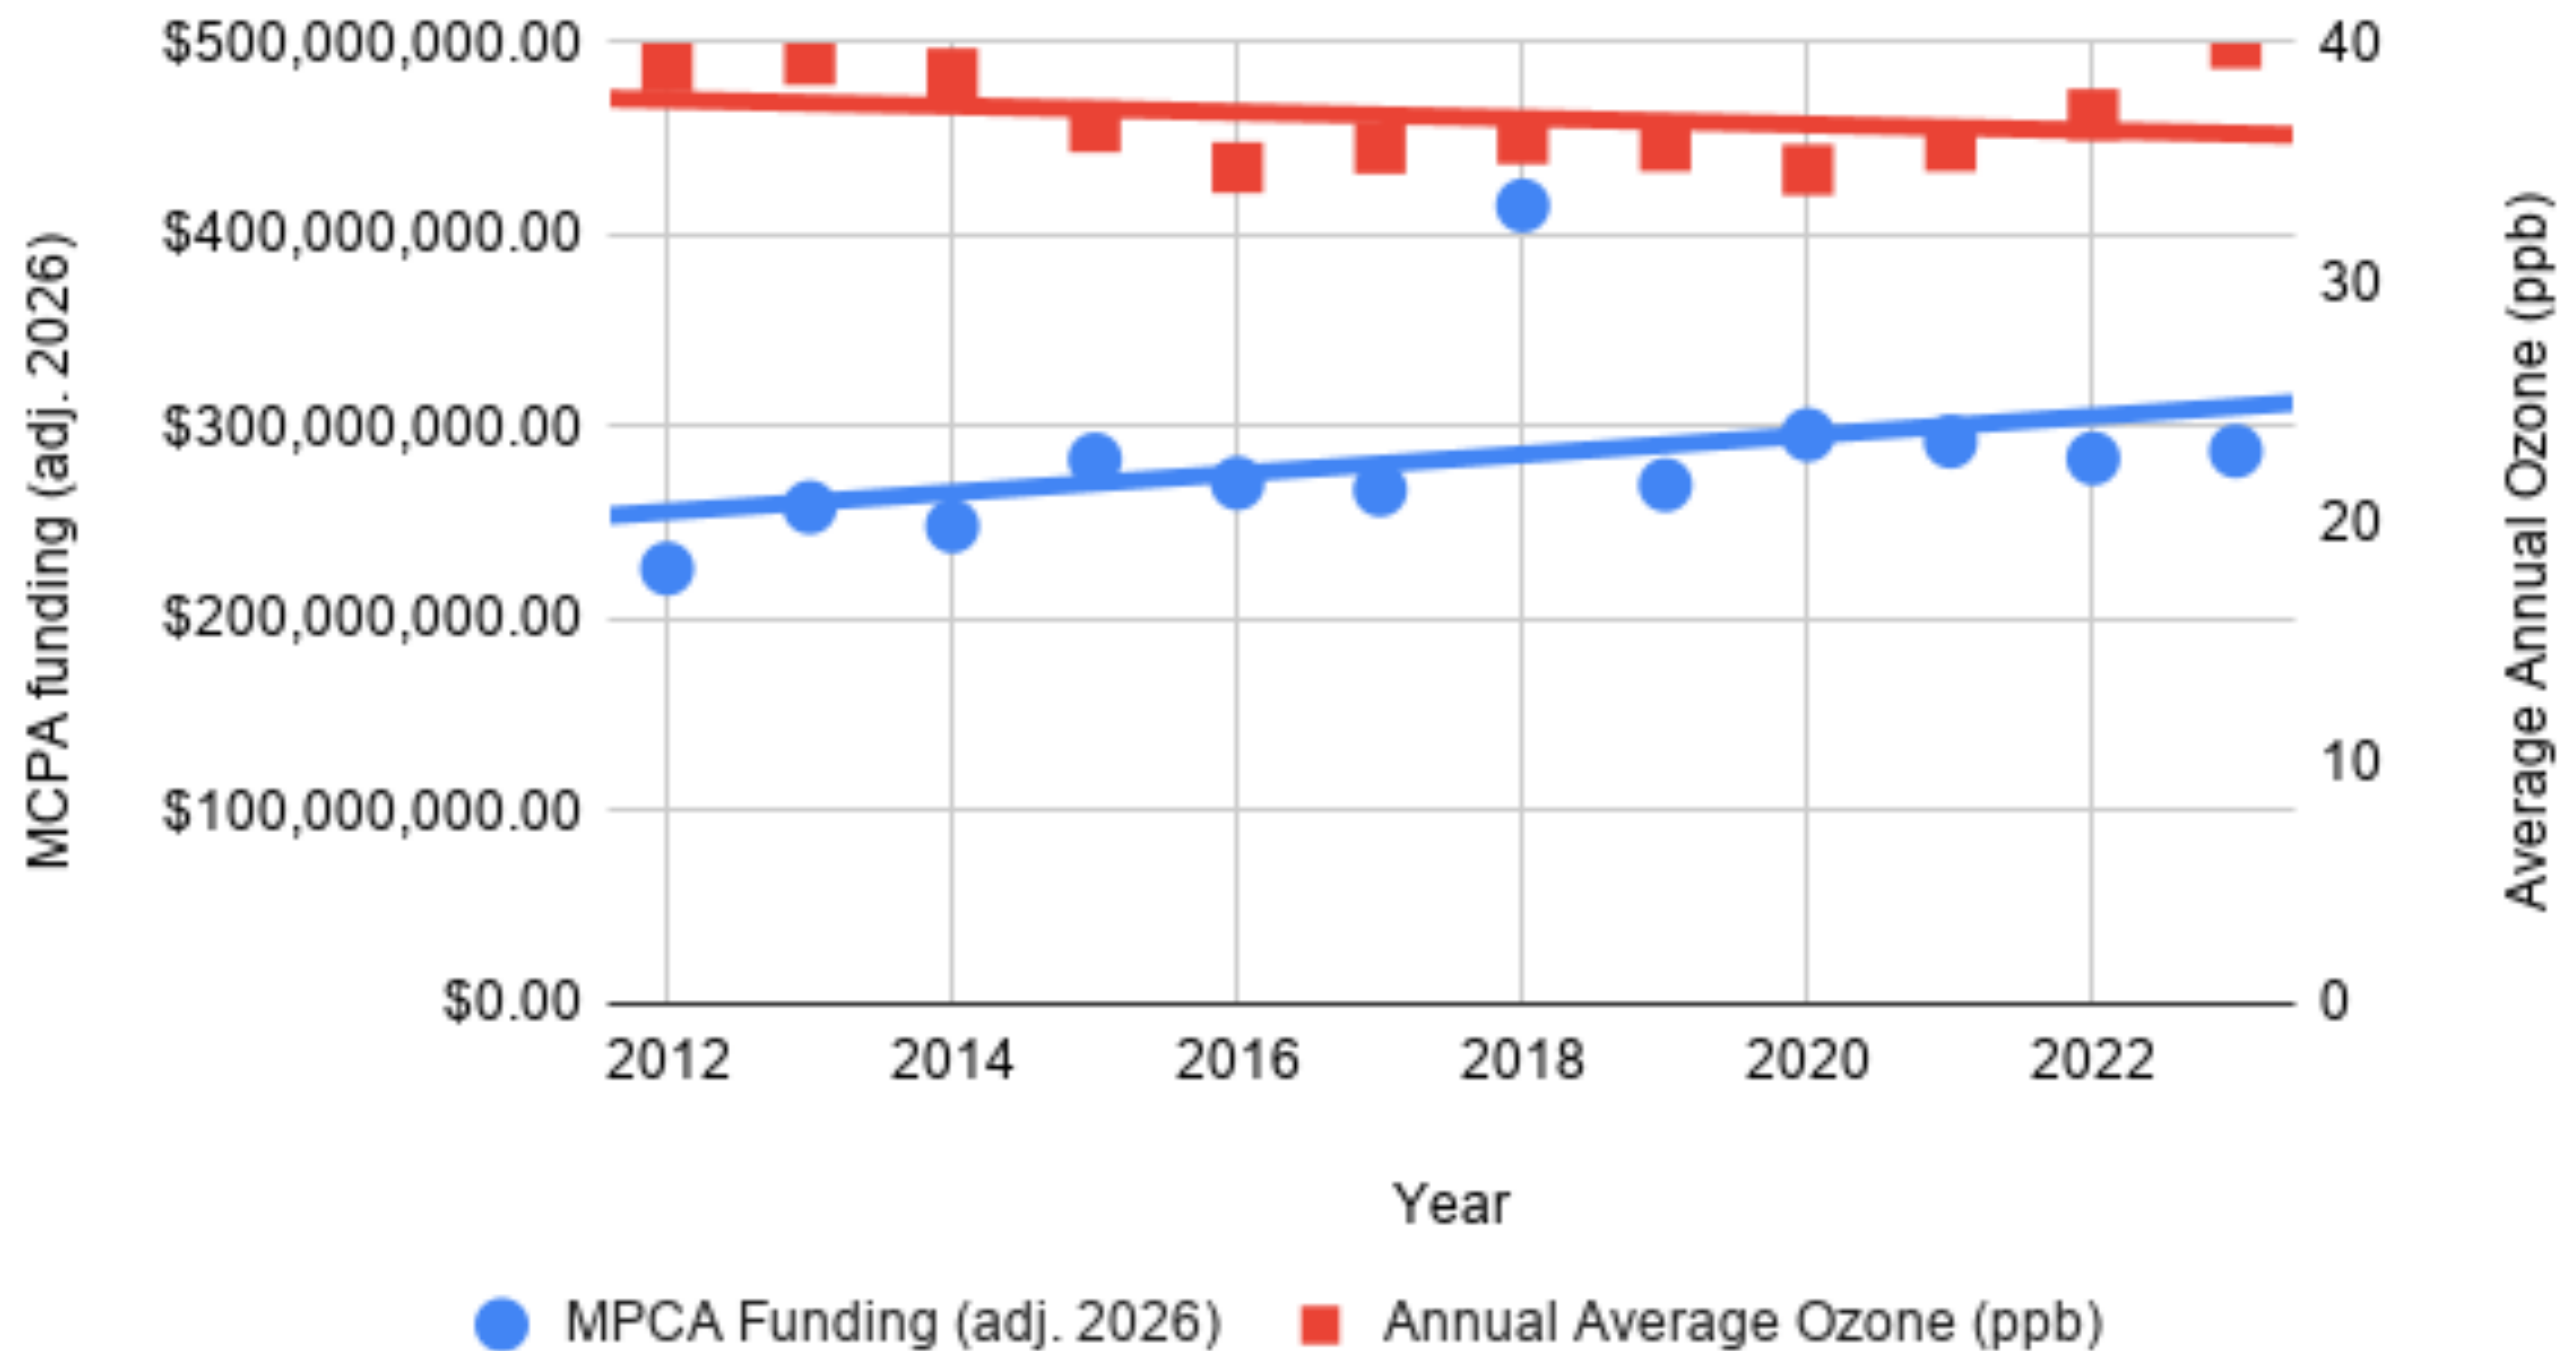

It is essential to increase the health budget to increase life expectancy and strengthen the workforce, helping people lead healthier, happier lives.

Group 10

Gideon P. (67B), Liam T. (66B), and Quinten T. (65B)

MPCA Funding vs. Average Annual Ozone

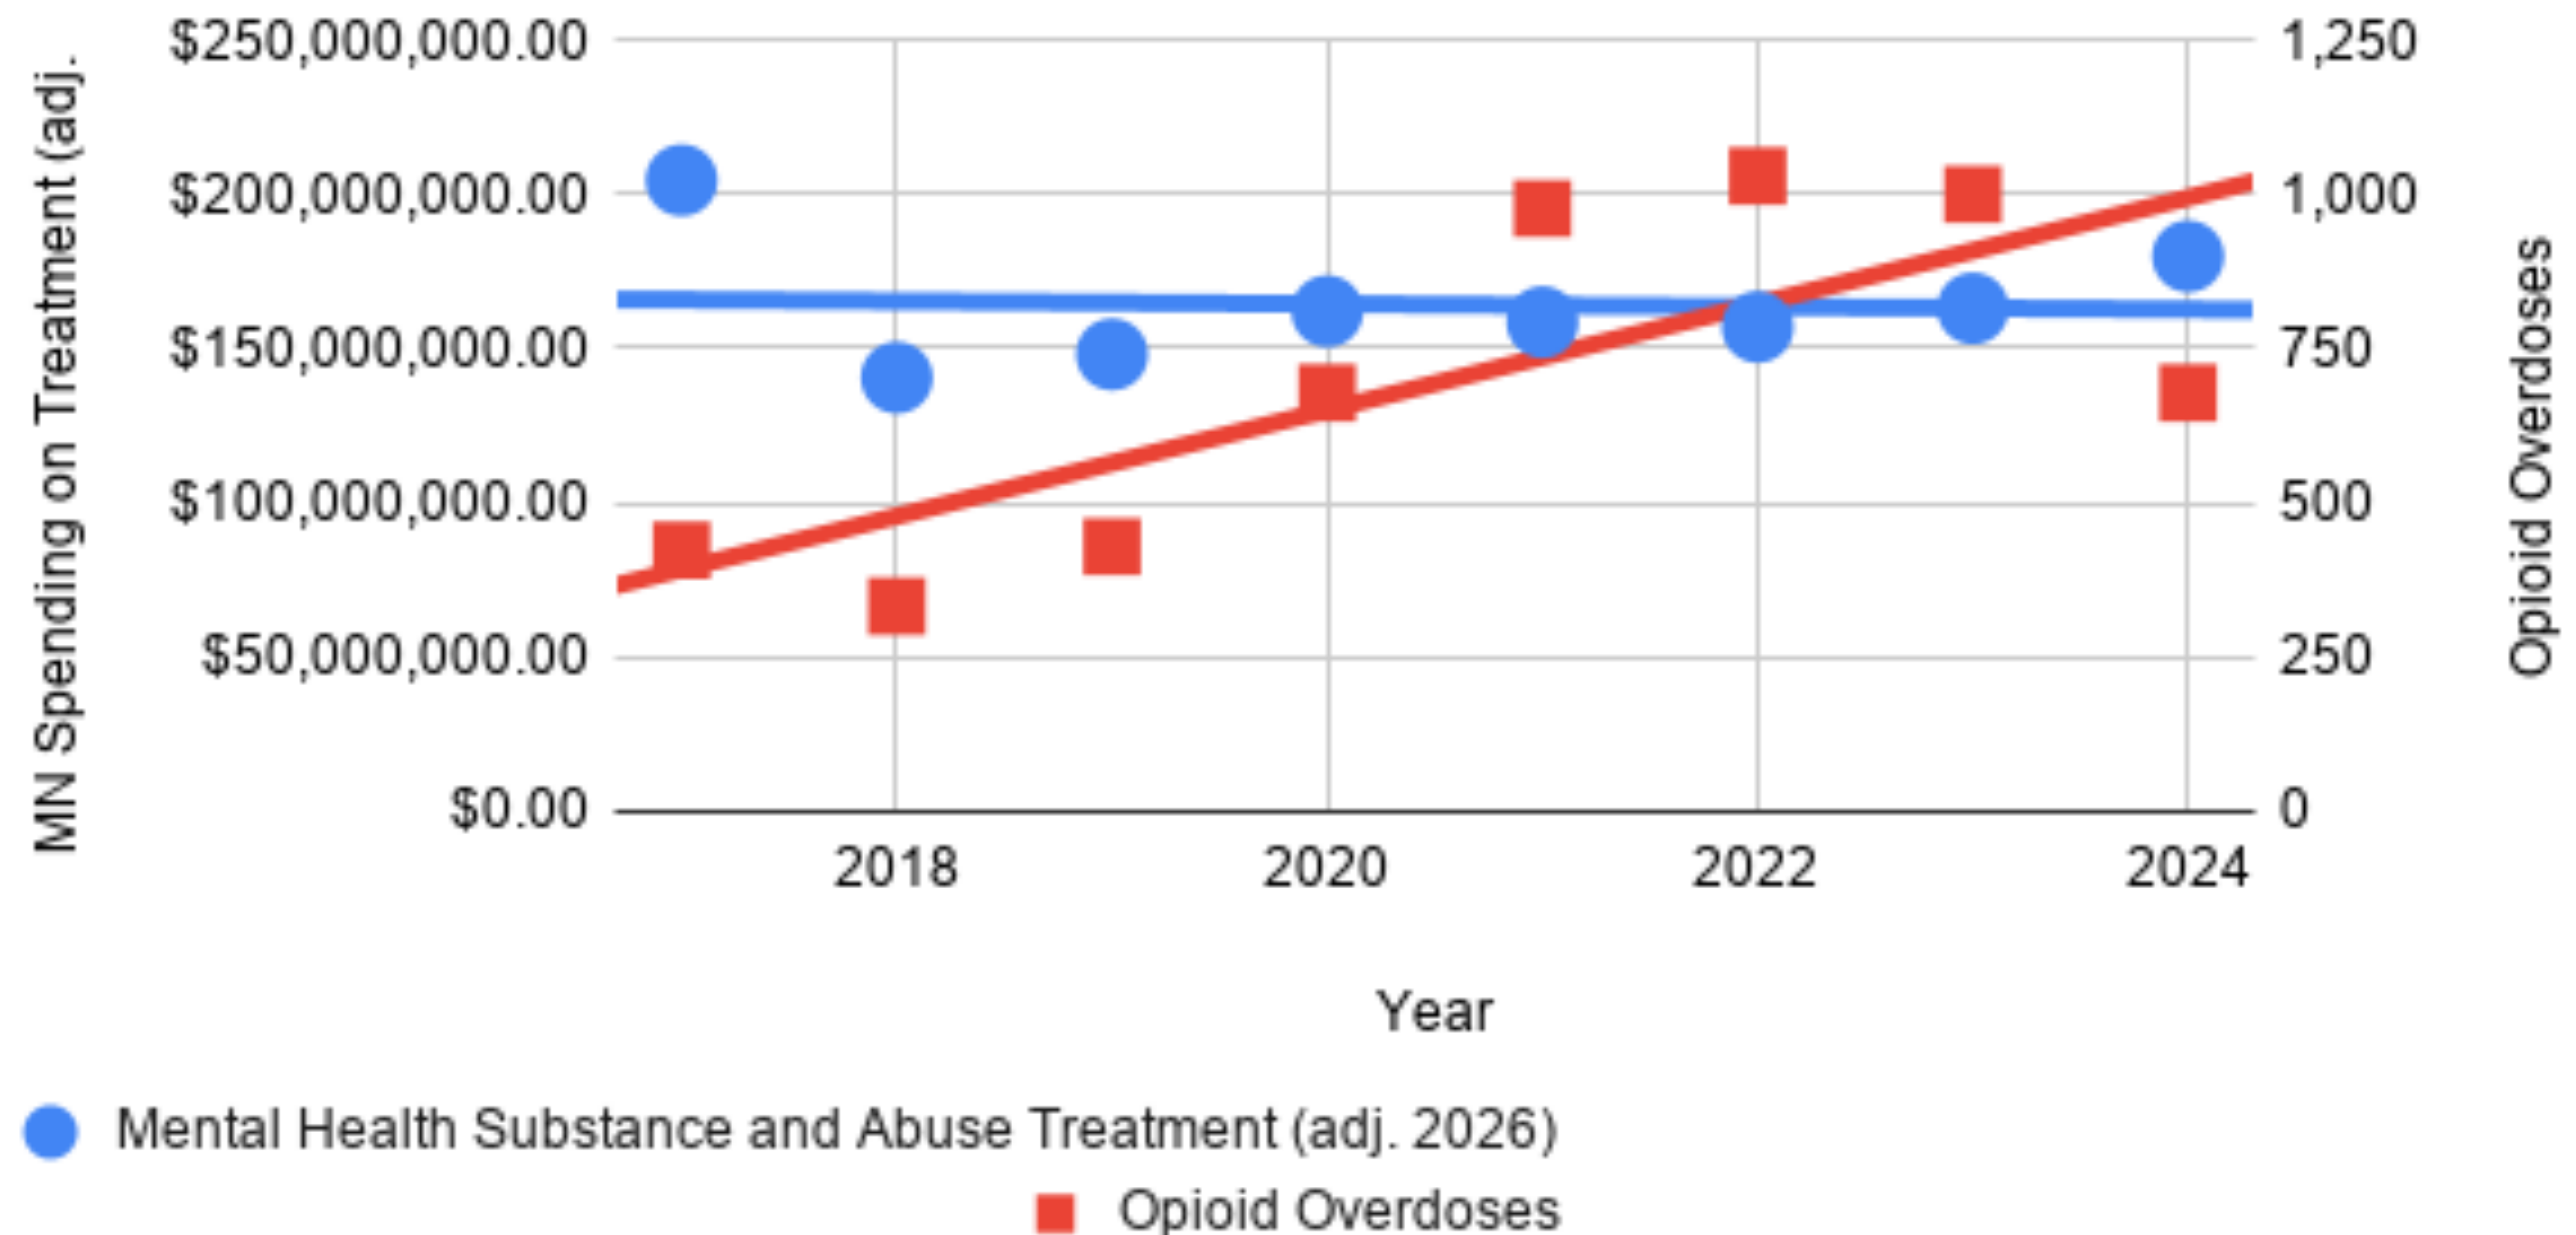

Air pollution has caused asthma, heart attacks, and death for our state. If we don't do something now, it'll only get worse.

Group 11

Sylas G. (65A), Jacoby O. (64B), Momodu F. (65A), and Thomas S. (67B)

MN Spending on Mental Health Substance Abuse Treatment vs. Opioid Overdoses

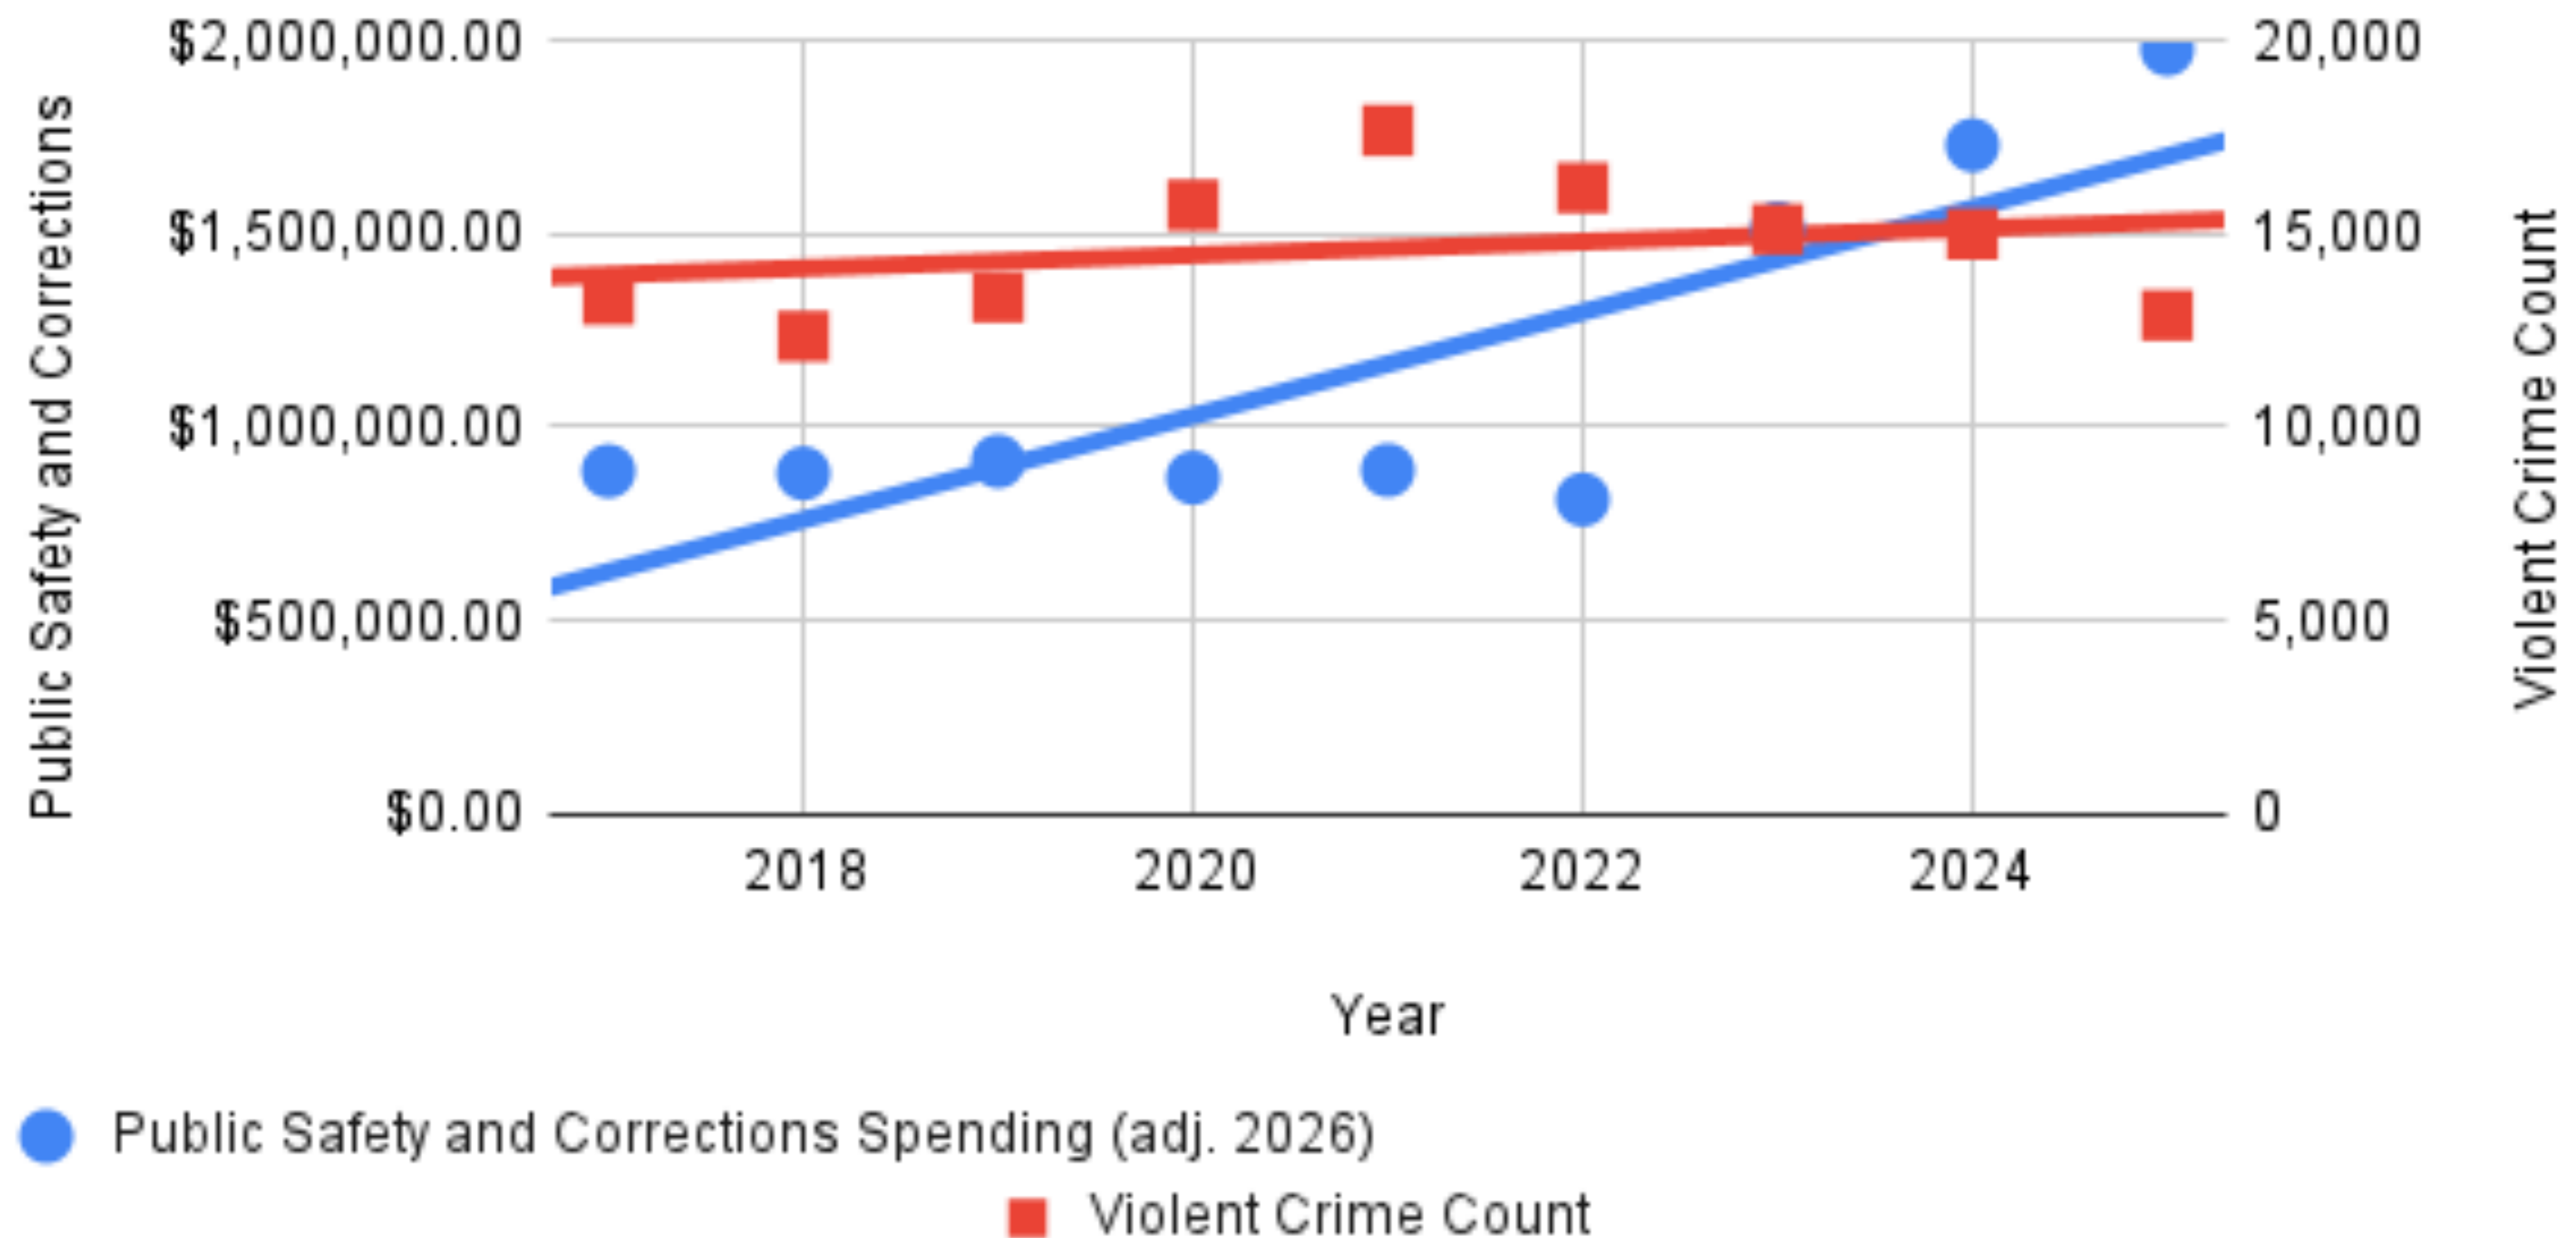

If the amount of overdoses go down in Minnesota the state will have a better economy and Minnesota will be safer all around.

Group 12

Bennett M. (66B), Elliot C. (67B), Gavin T. (67B), and Gordon H. (64A)

MN Spending On Public Safety and Corrections vs. Violent Crime Count

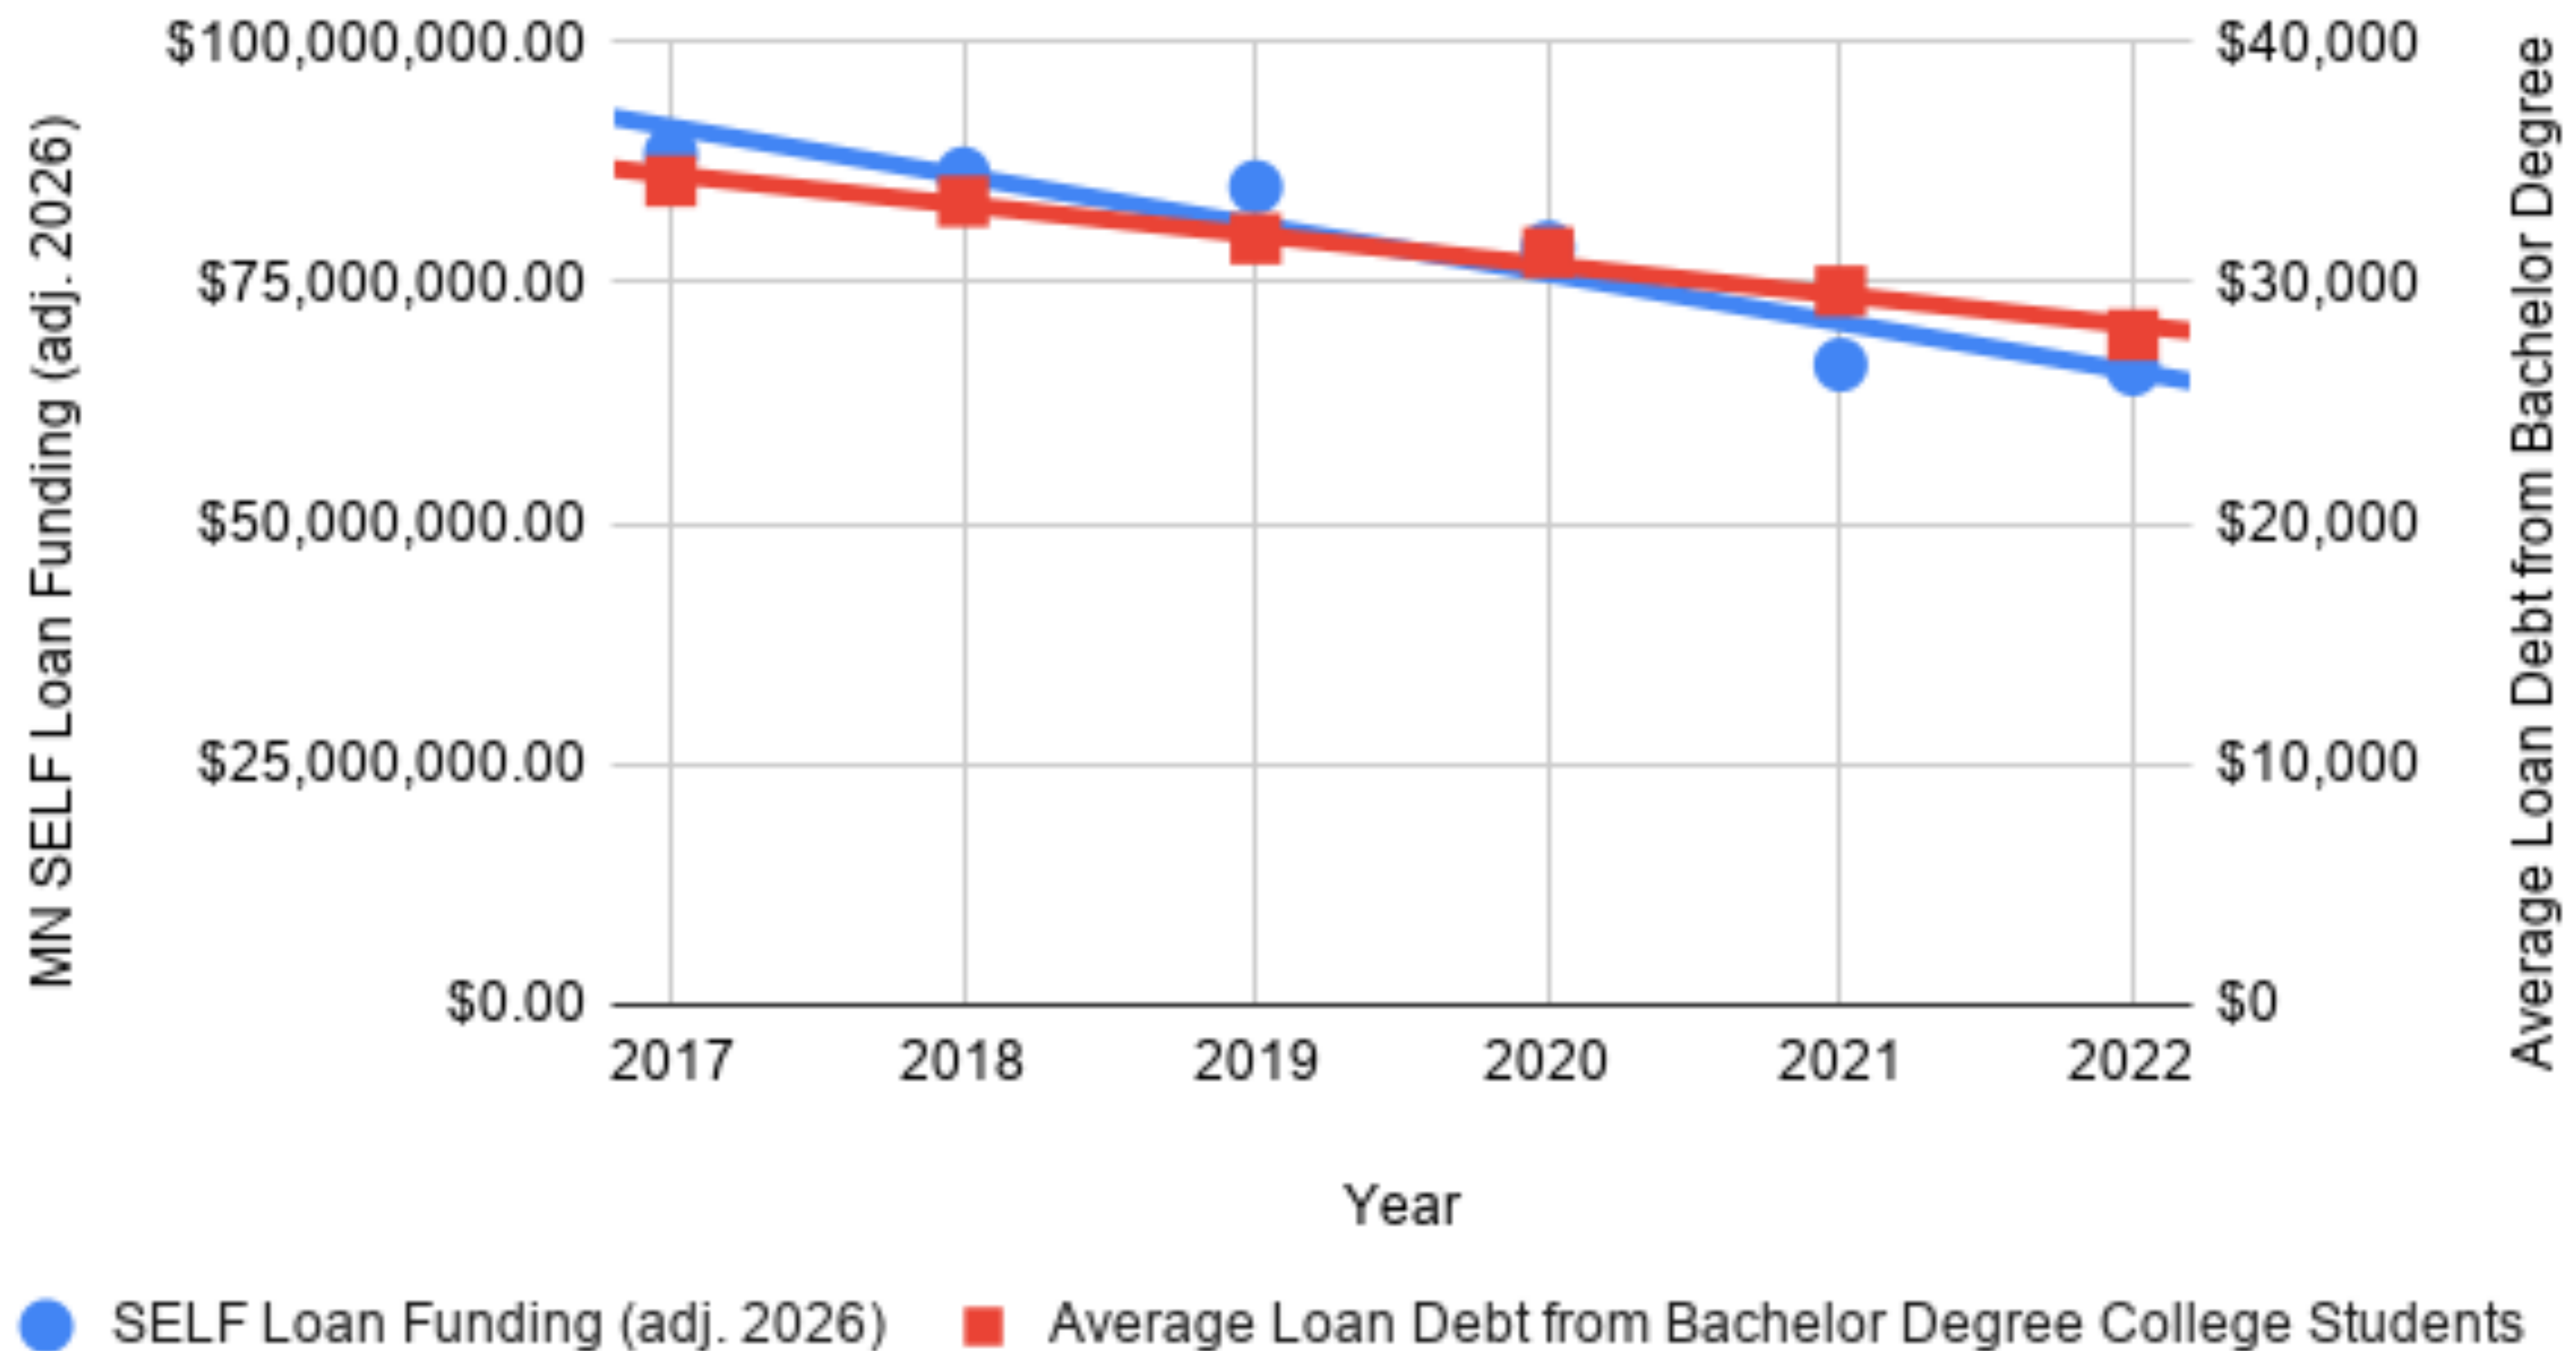

We want you to continue increasing the money spent on public safety and corrections because we want less people dying from violent crimes.

Group 13

Mango N. (64A), Chester T. (44B), Arlo M. (65B), and Niko S. (65B)

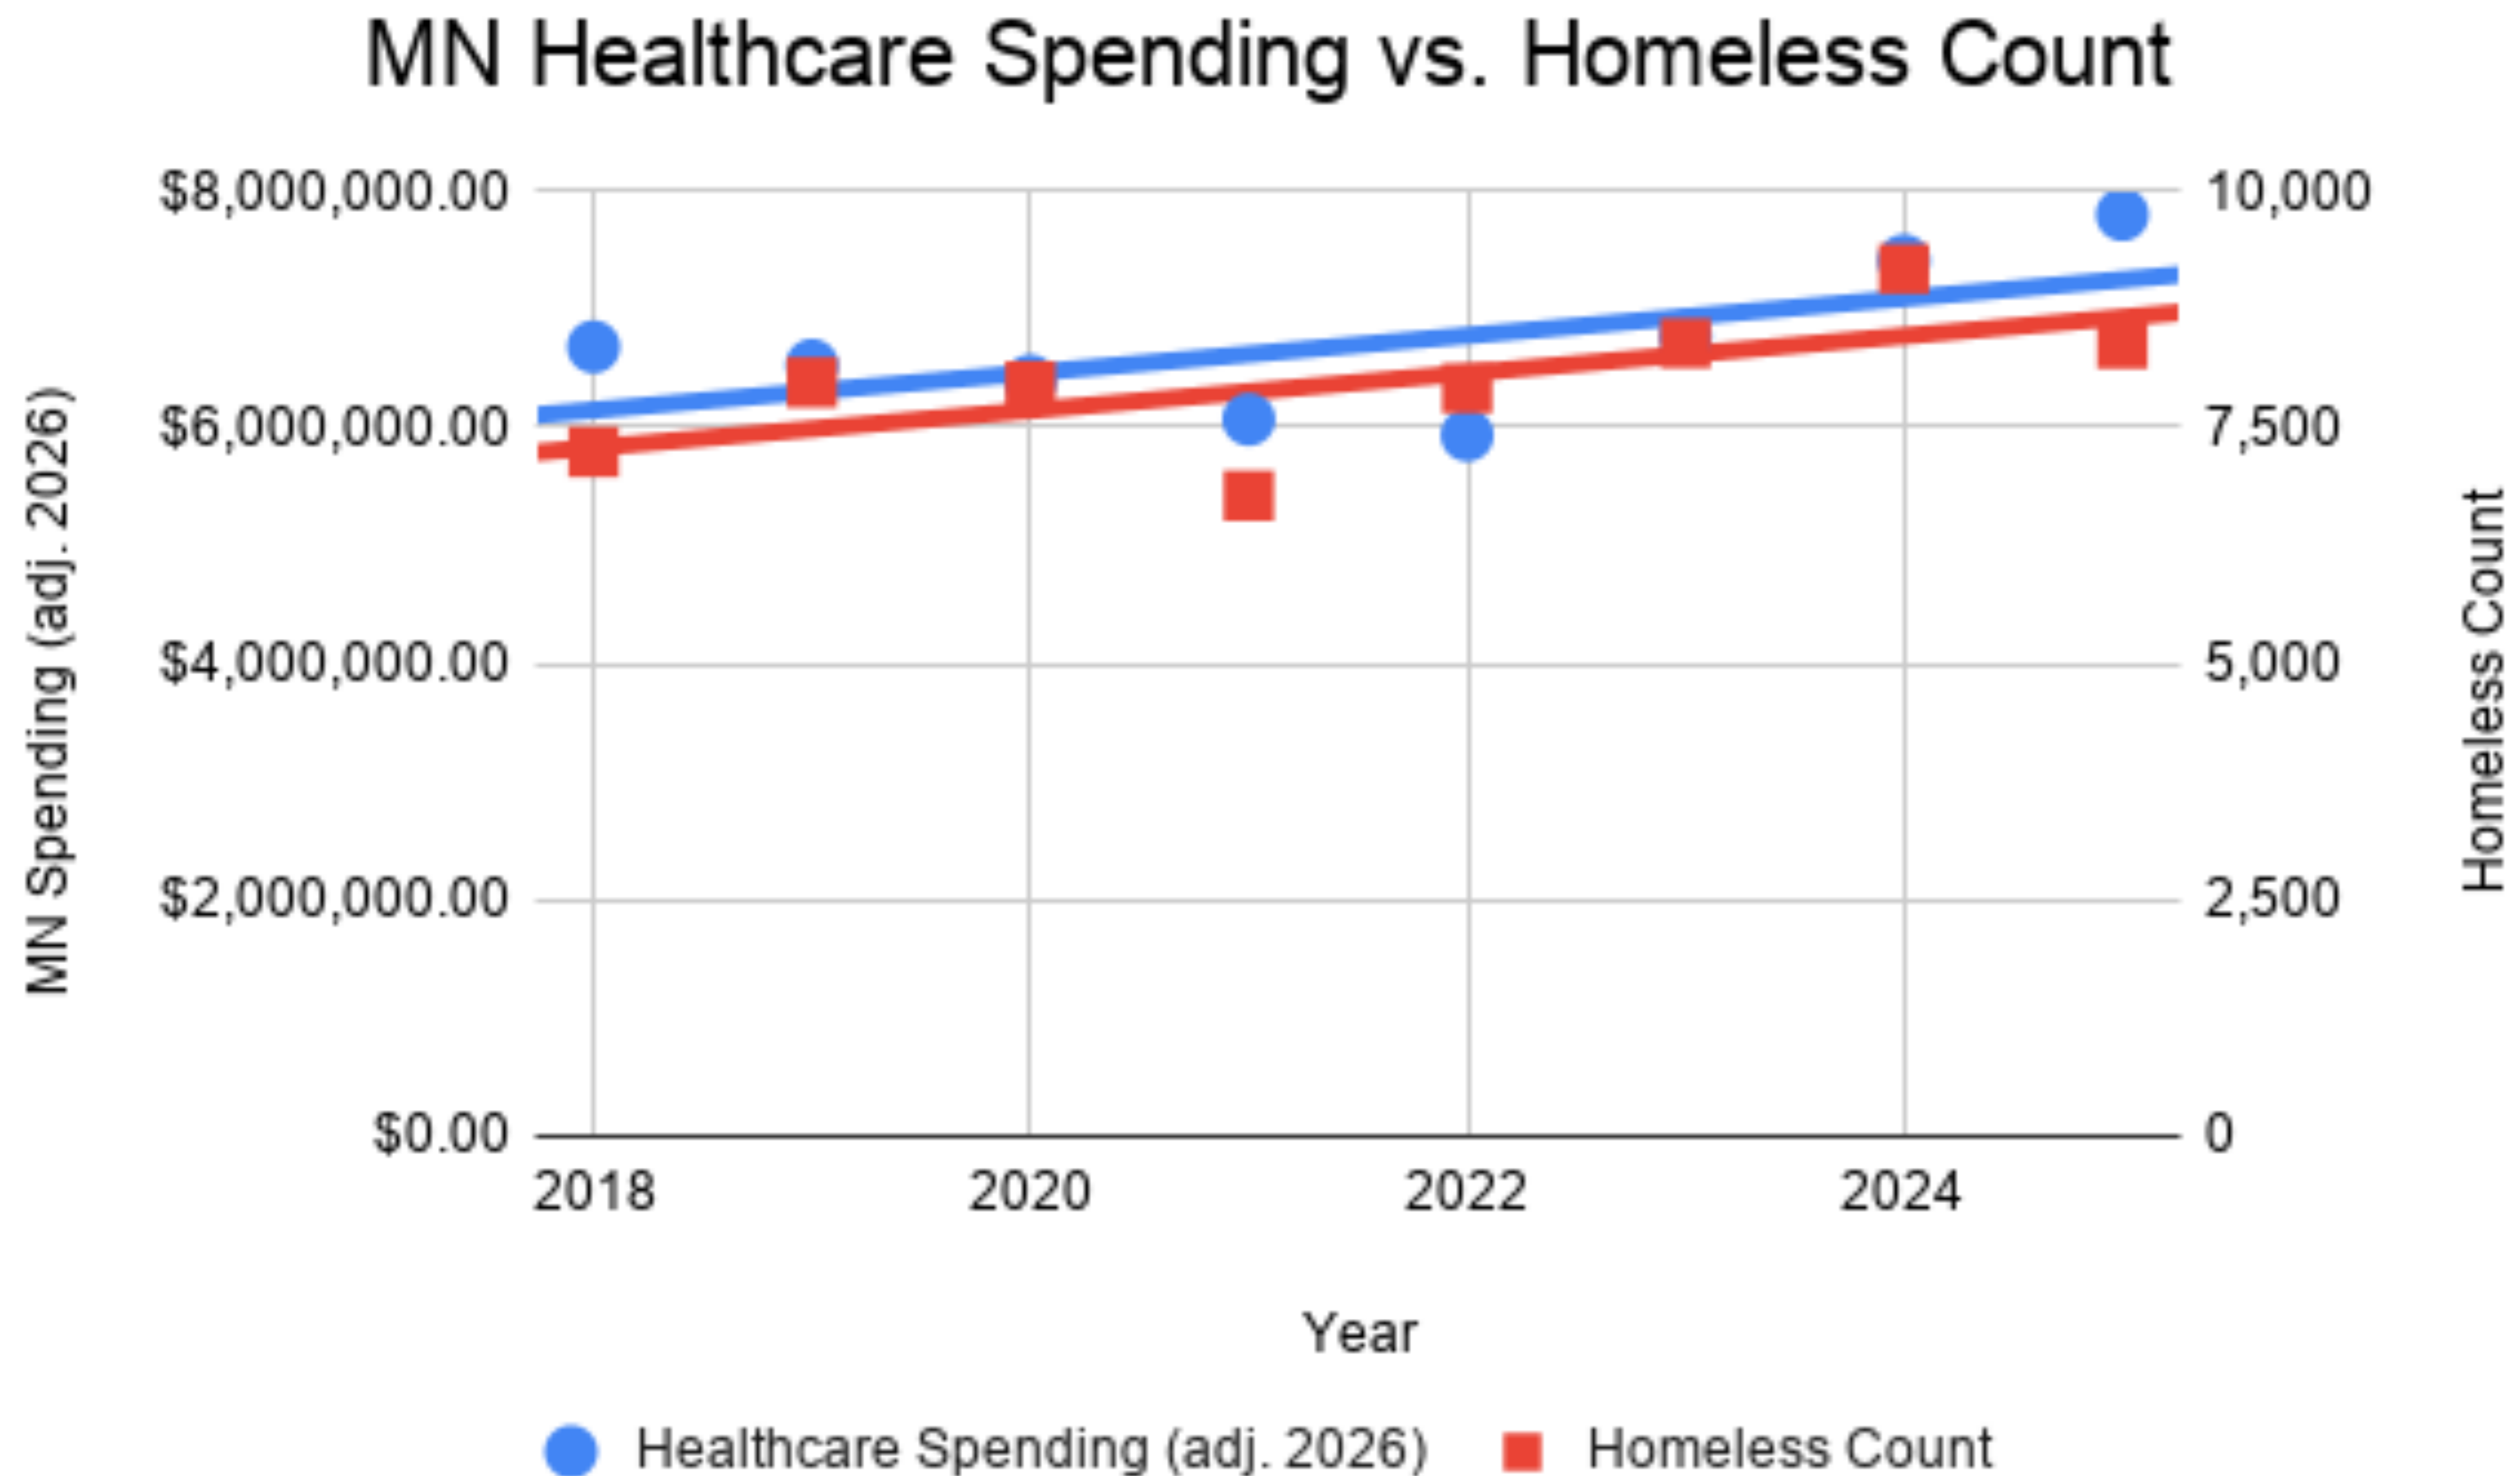

MN SELF Loan Funding vs. College Student Debt

We need your help for this. College is a vital piece of education for many people, and it's hard to do with debt.

Group 14

Nikolai L. (66B), Thaddeus H. (38A), Loudon B. (67B), and Halvor J. (66A)

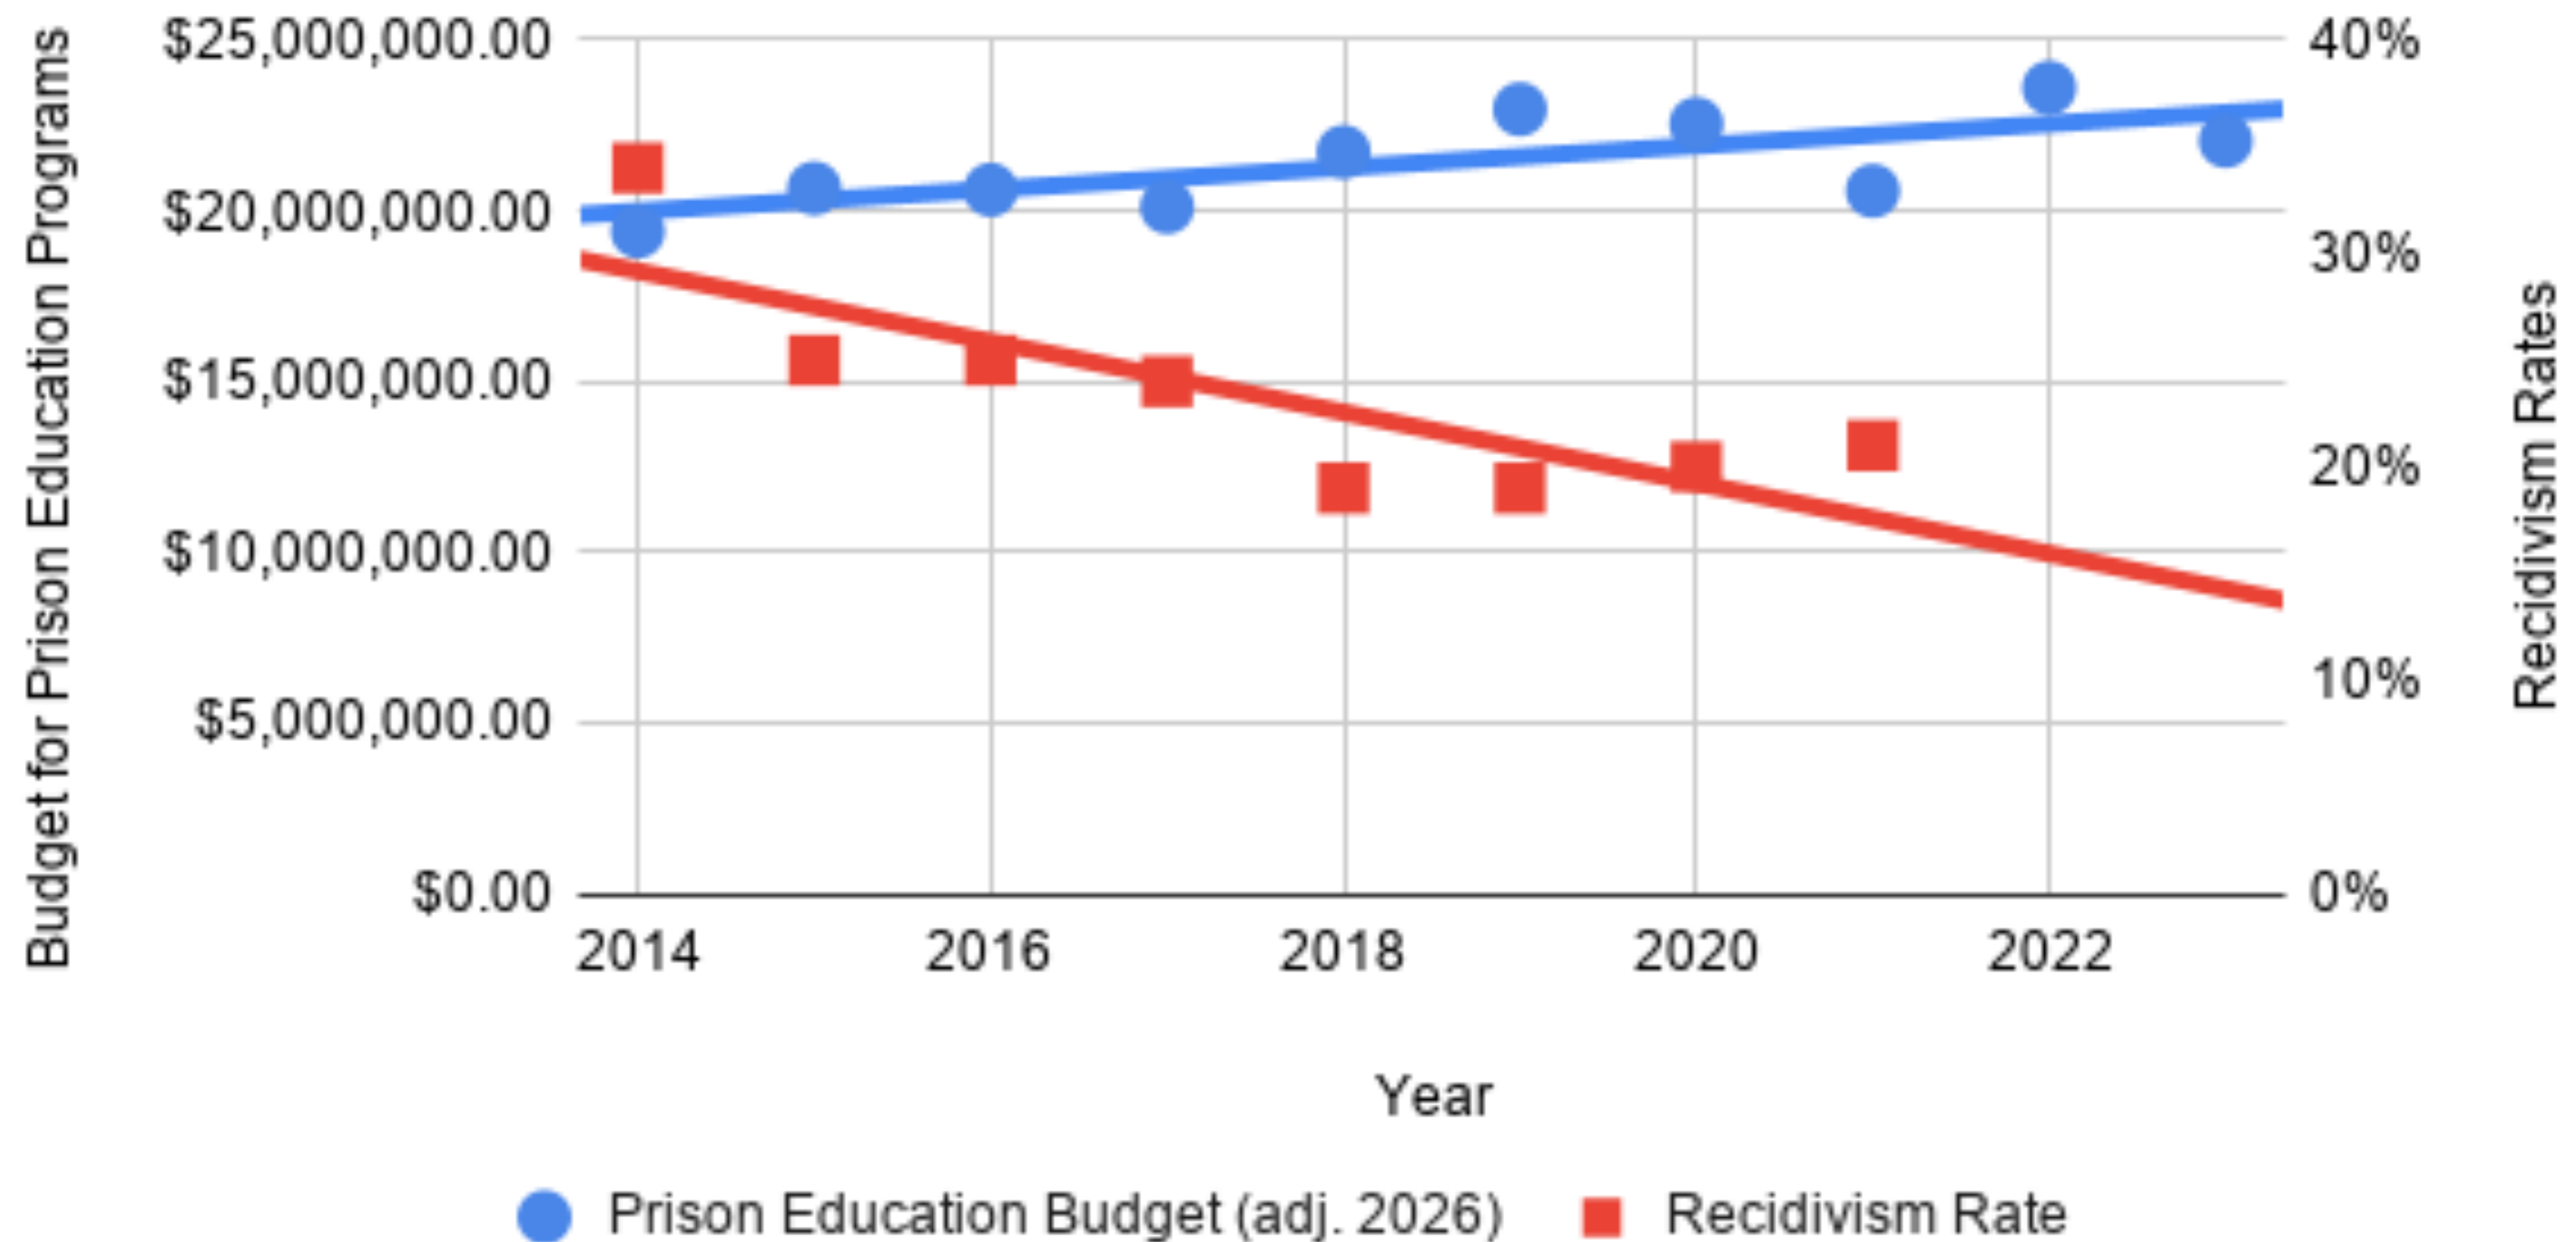

If more money is allocated towards healthcare, homeless people will be more healthy, homelessness will decrease, and result in substantial annual savings to society.

Group 15

Sebrena C. (65A), Zelda J. (64A), William S. (64B), and Greta C. (64A)

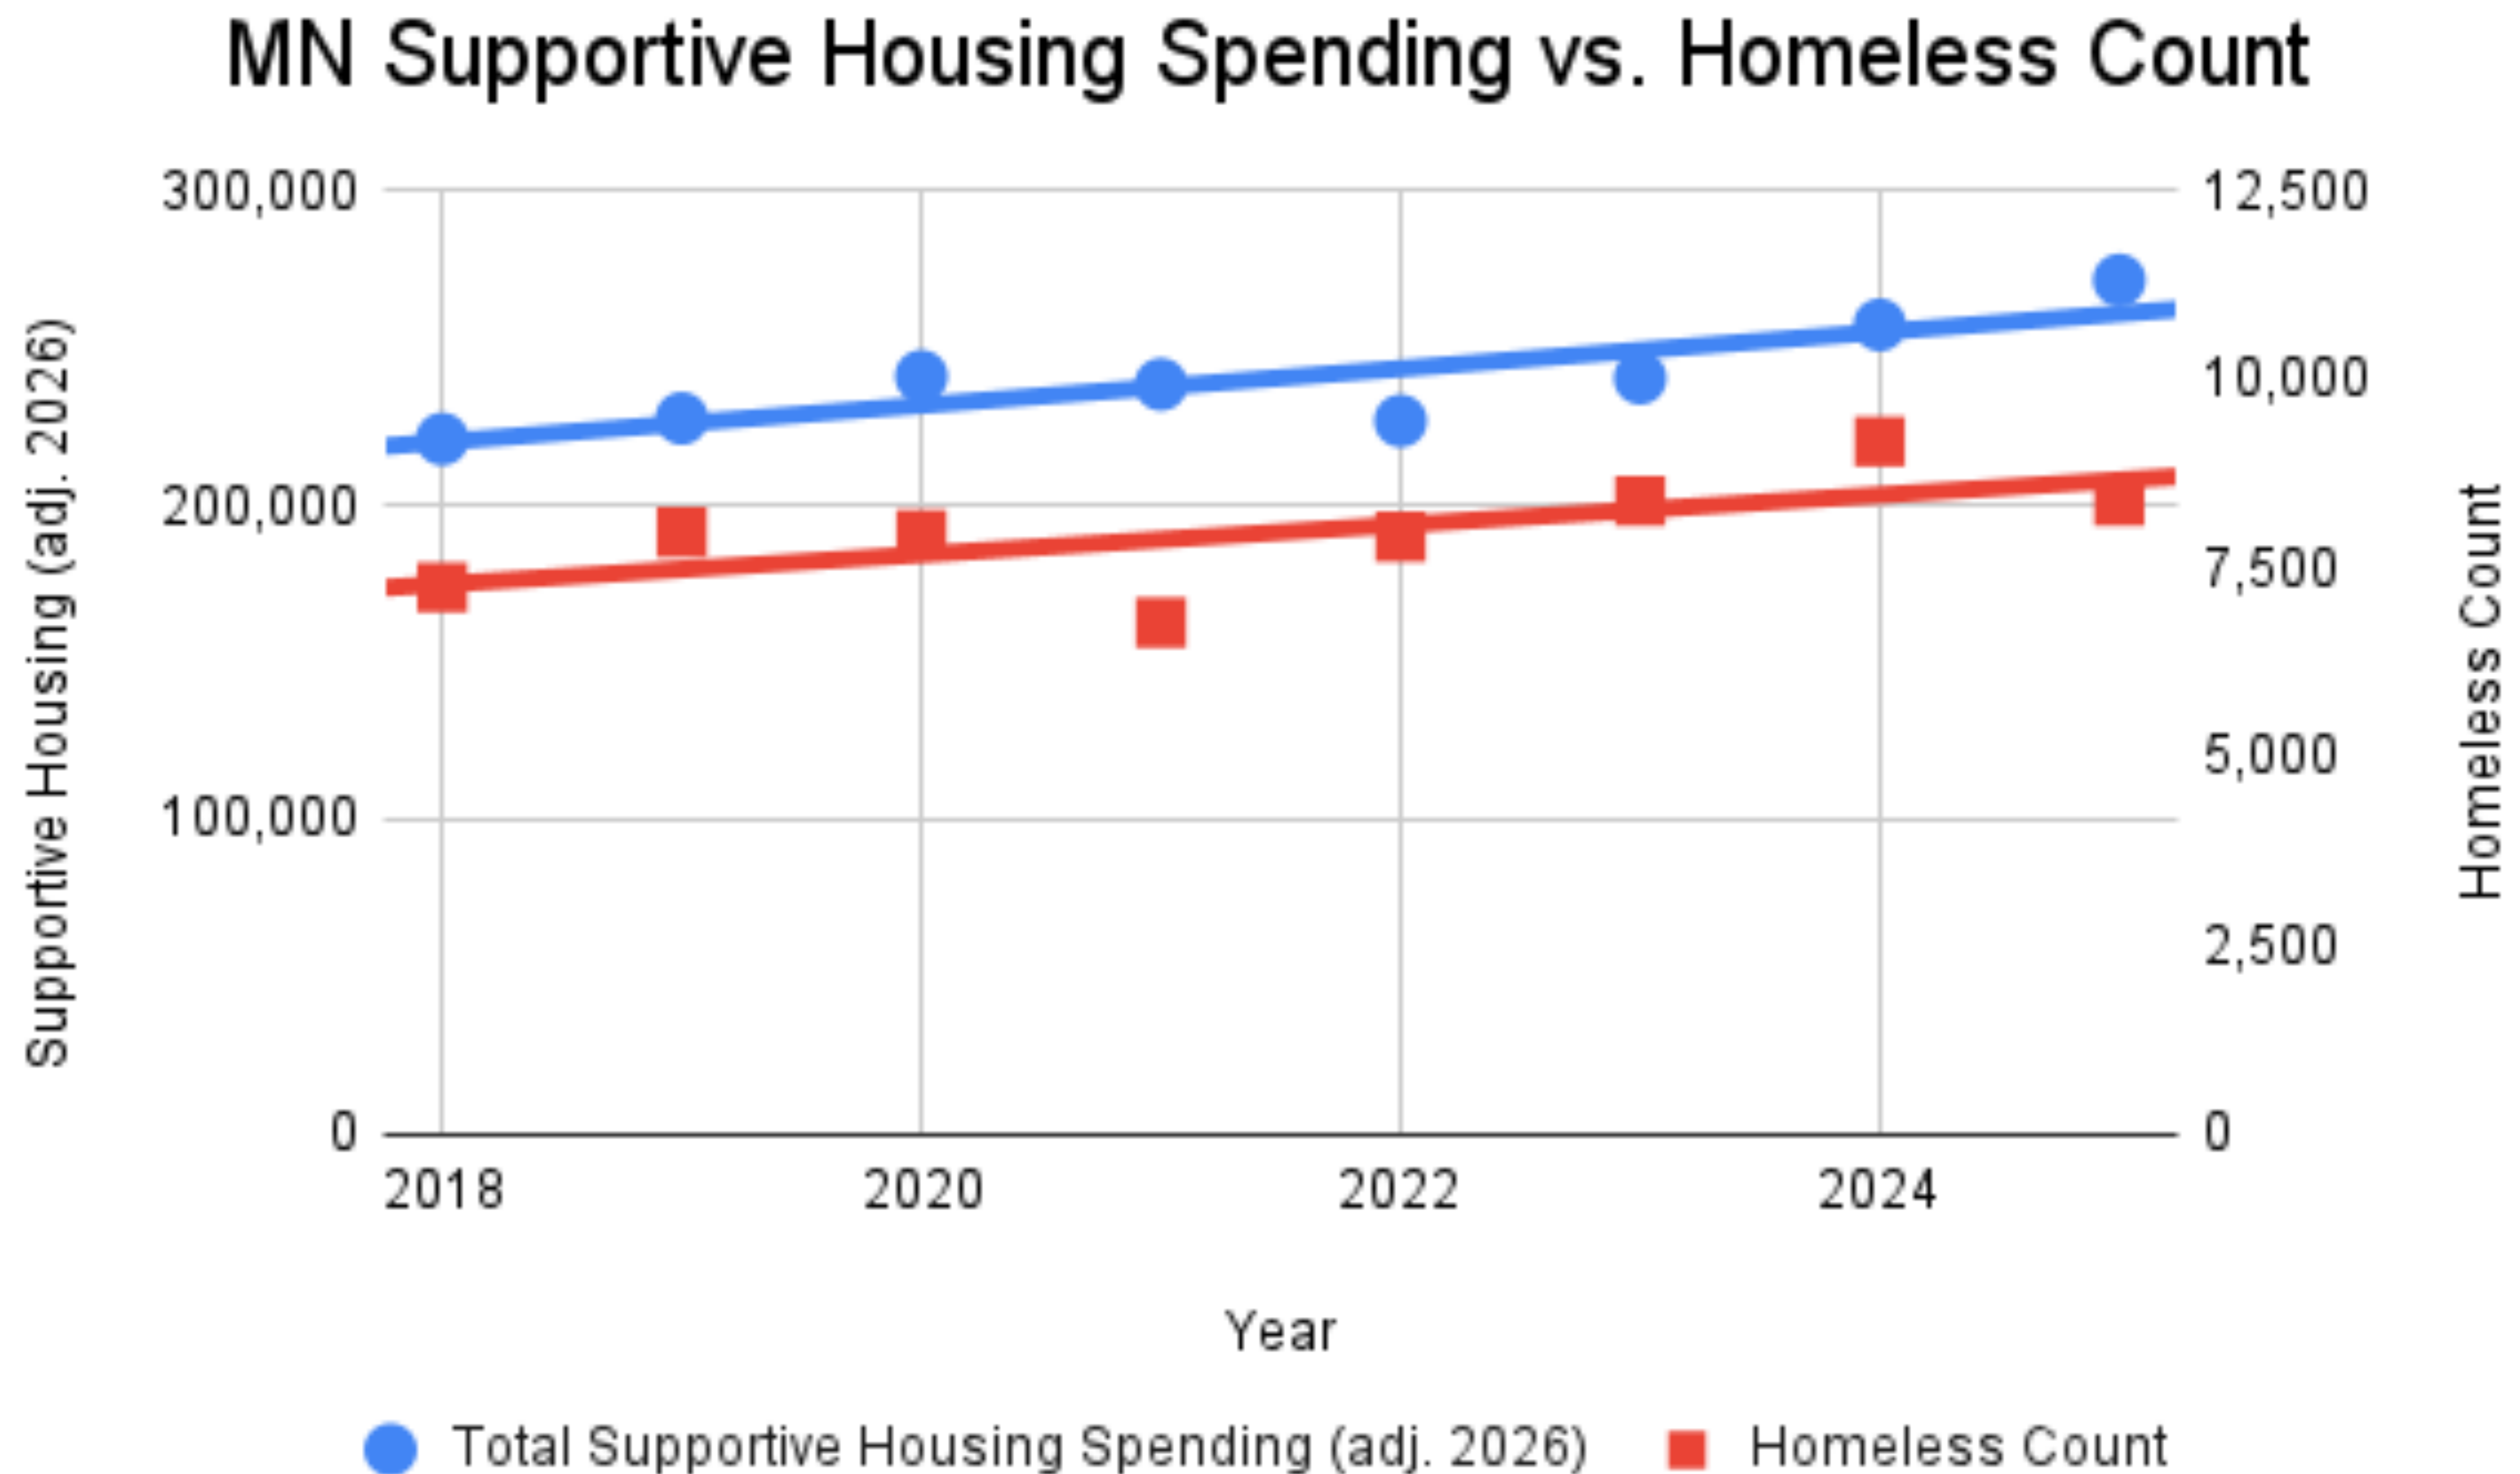

MN Funding for Prison Education Programs vs. Recidivism Rates

We can stop recidivism by educating prisoners. It helps a lot of people become upstanding Minnesotans and gives them opportunities for a better future.

Group 16

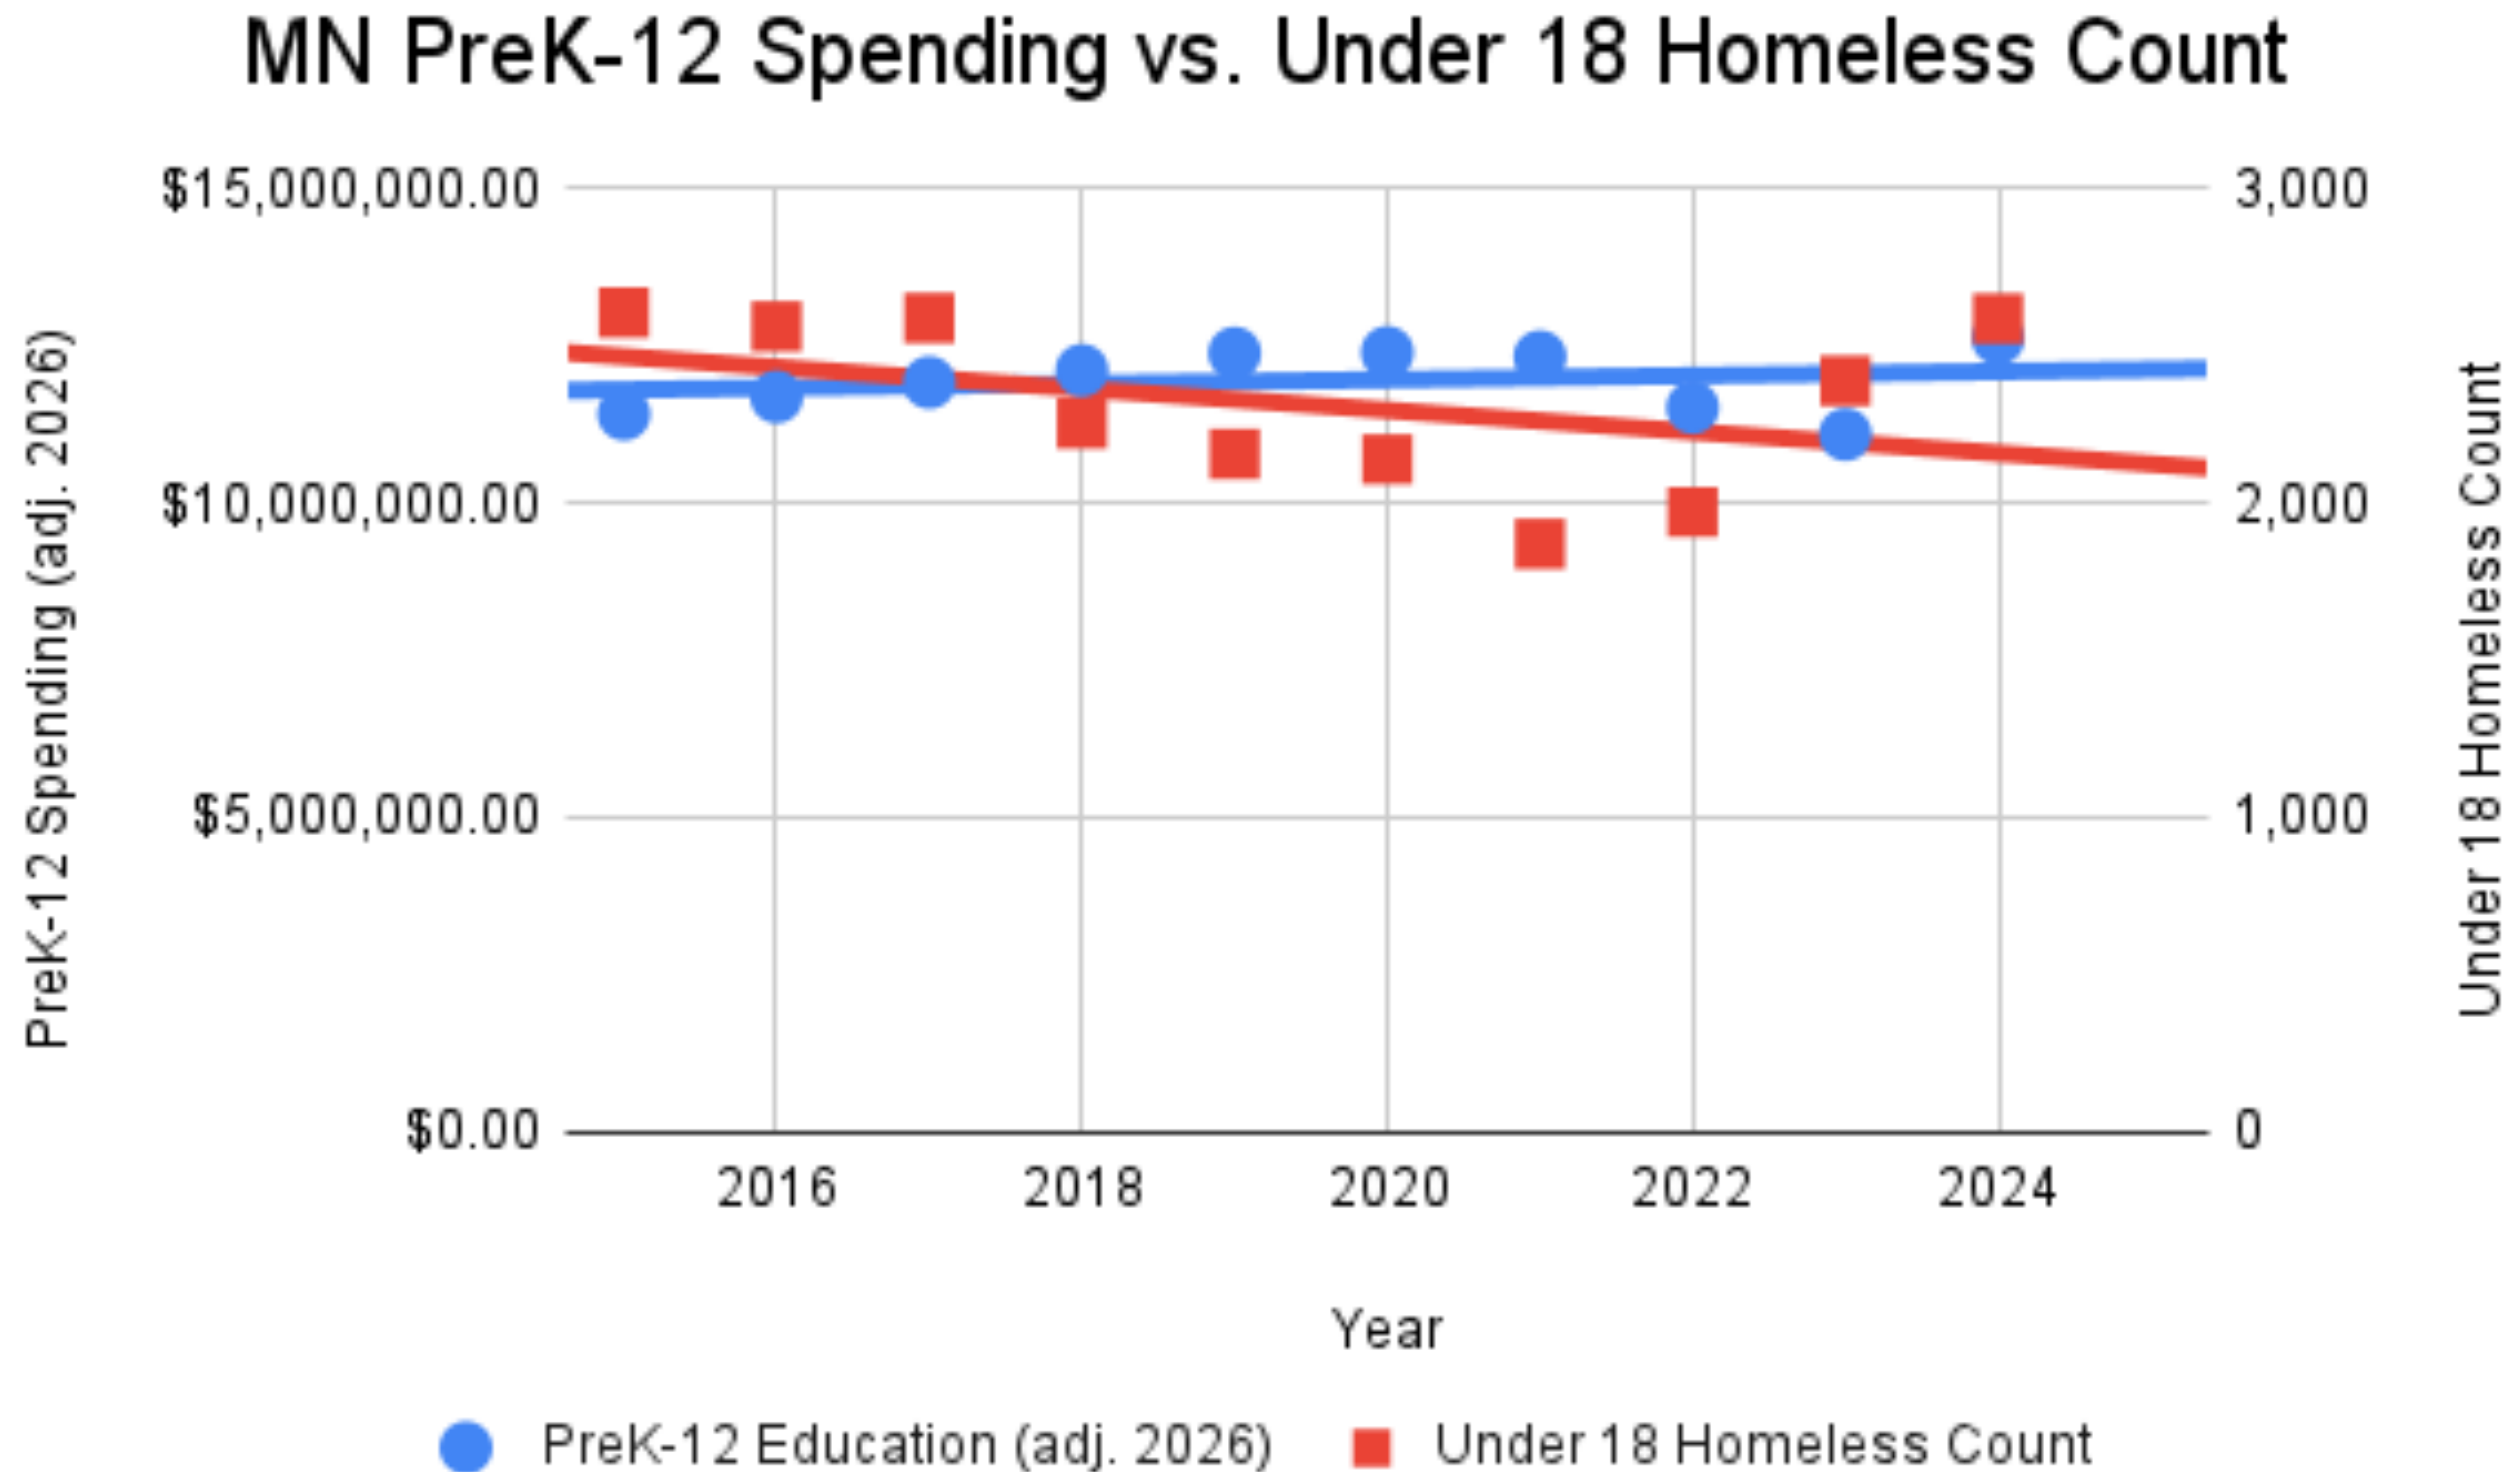

Htoo M. (66B), Elizabeth B. (64B), Rosie W. (64A), and Patrick W. (64A)

Supportive Housing programs help homeless people stay in their homes. Allocate to your local program and you can help improve the lives of thousands.

Group 17

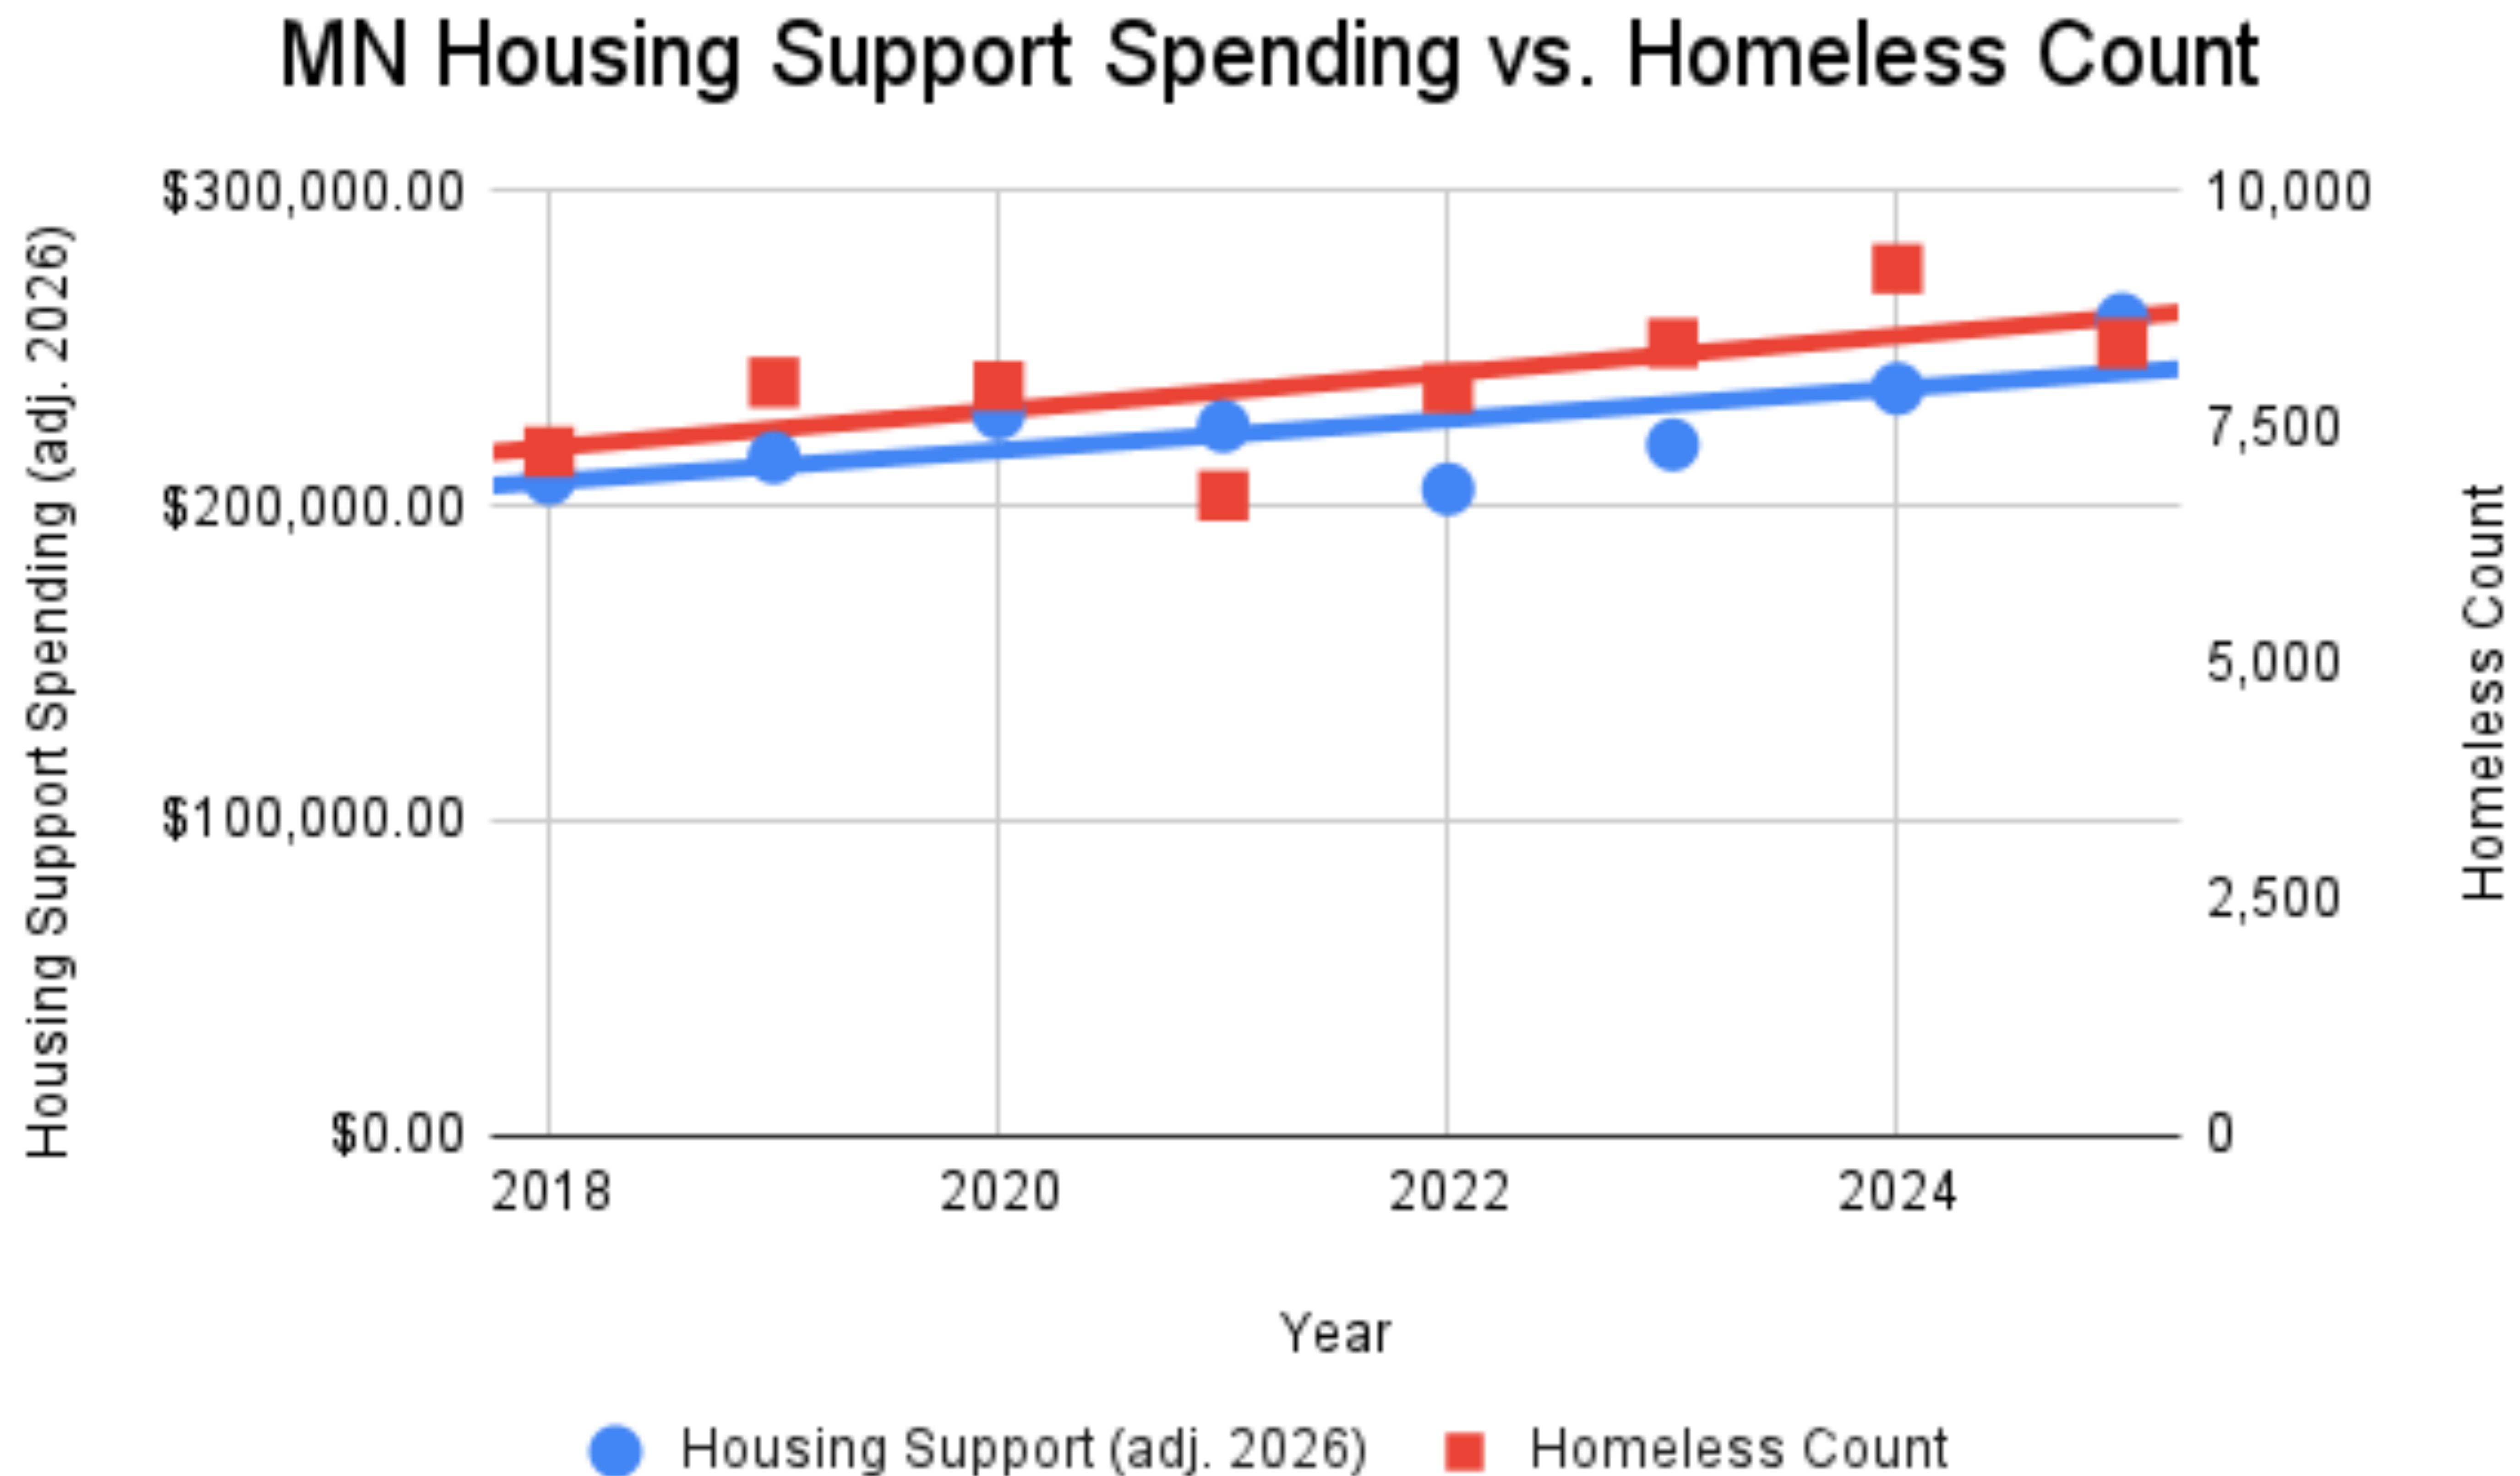

Jack G. (66A) and Felix R. (64A)

We want youth homelessness to go down and spending money on PreK-12 education will help homeless youth build homes for themselves.

Group 18

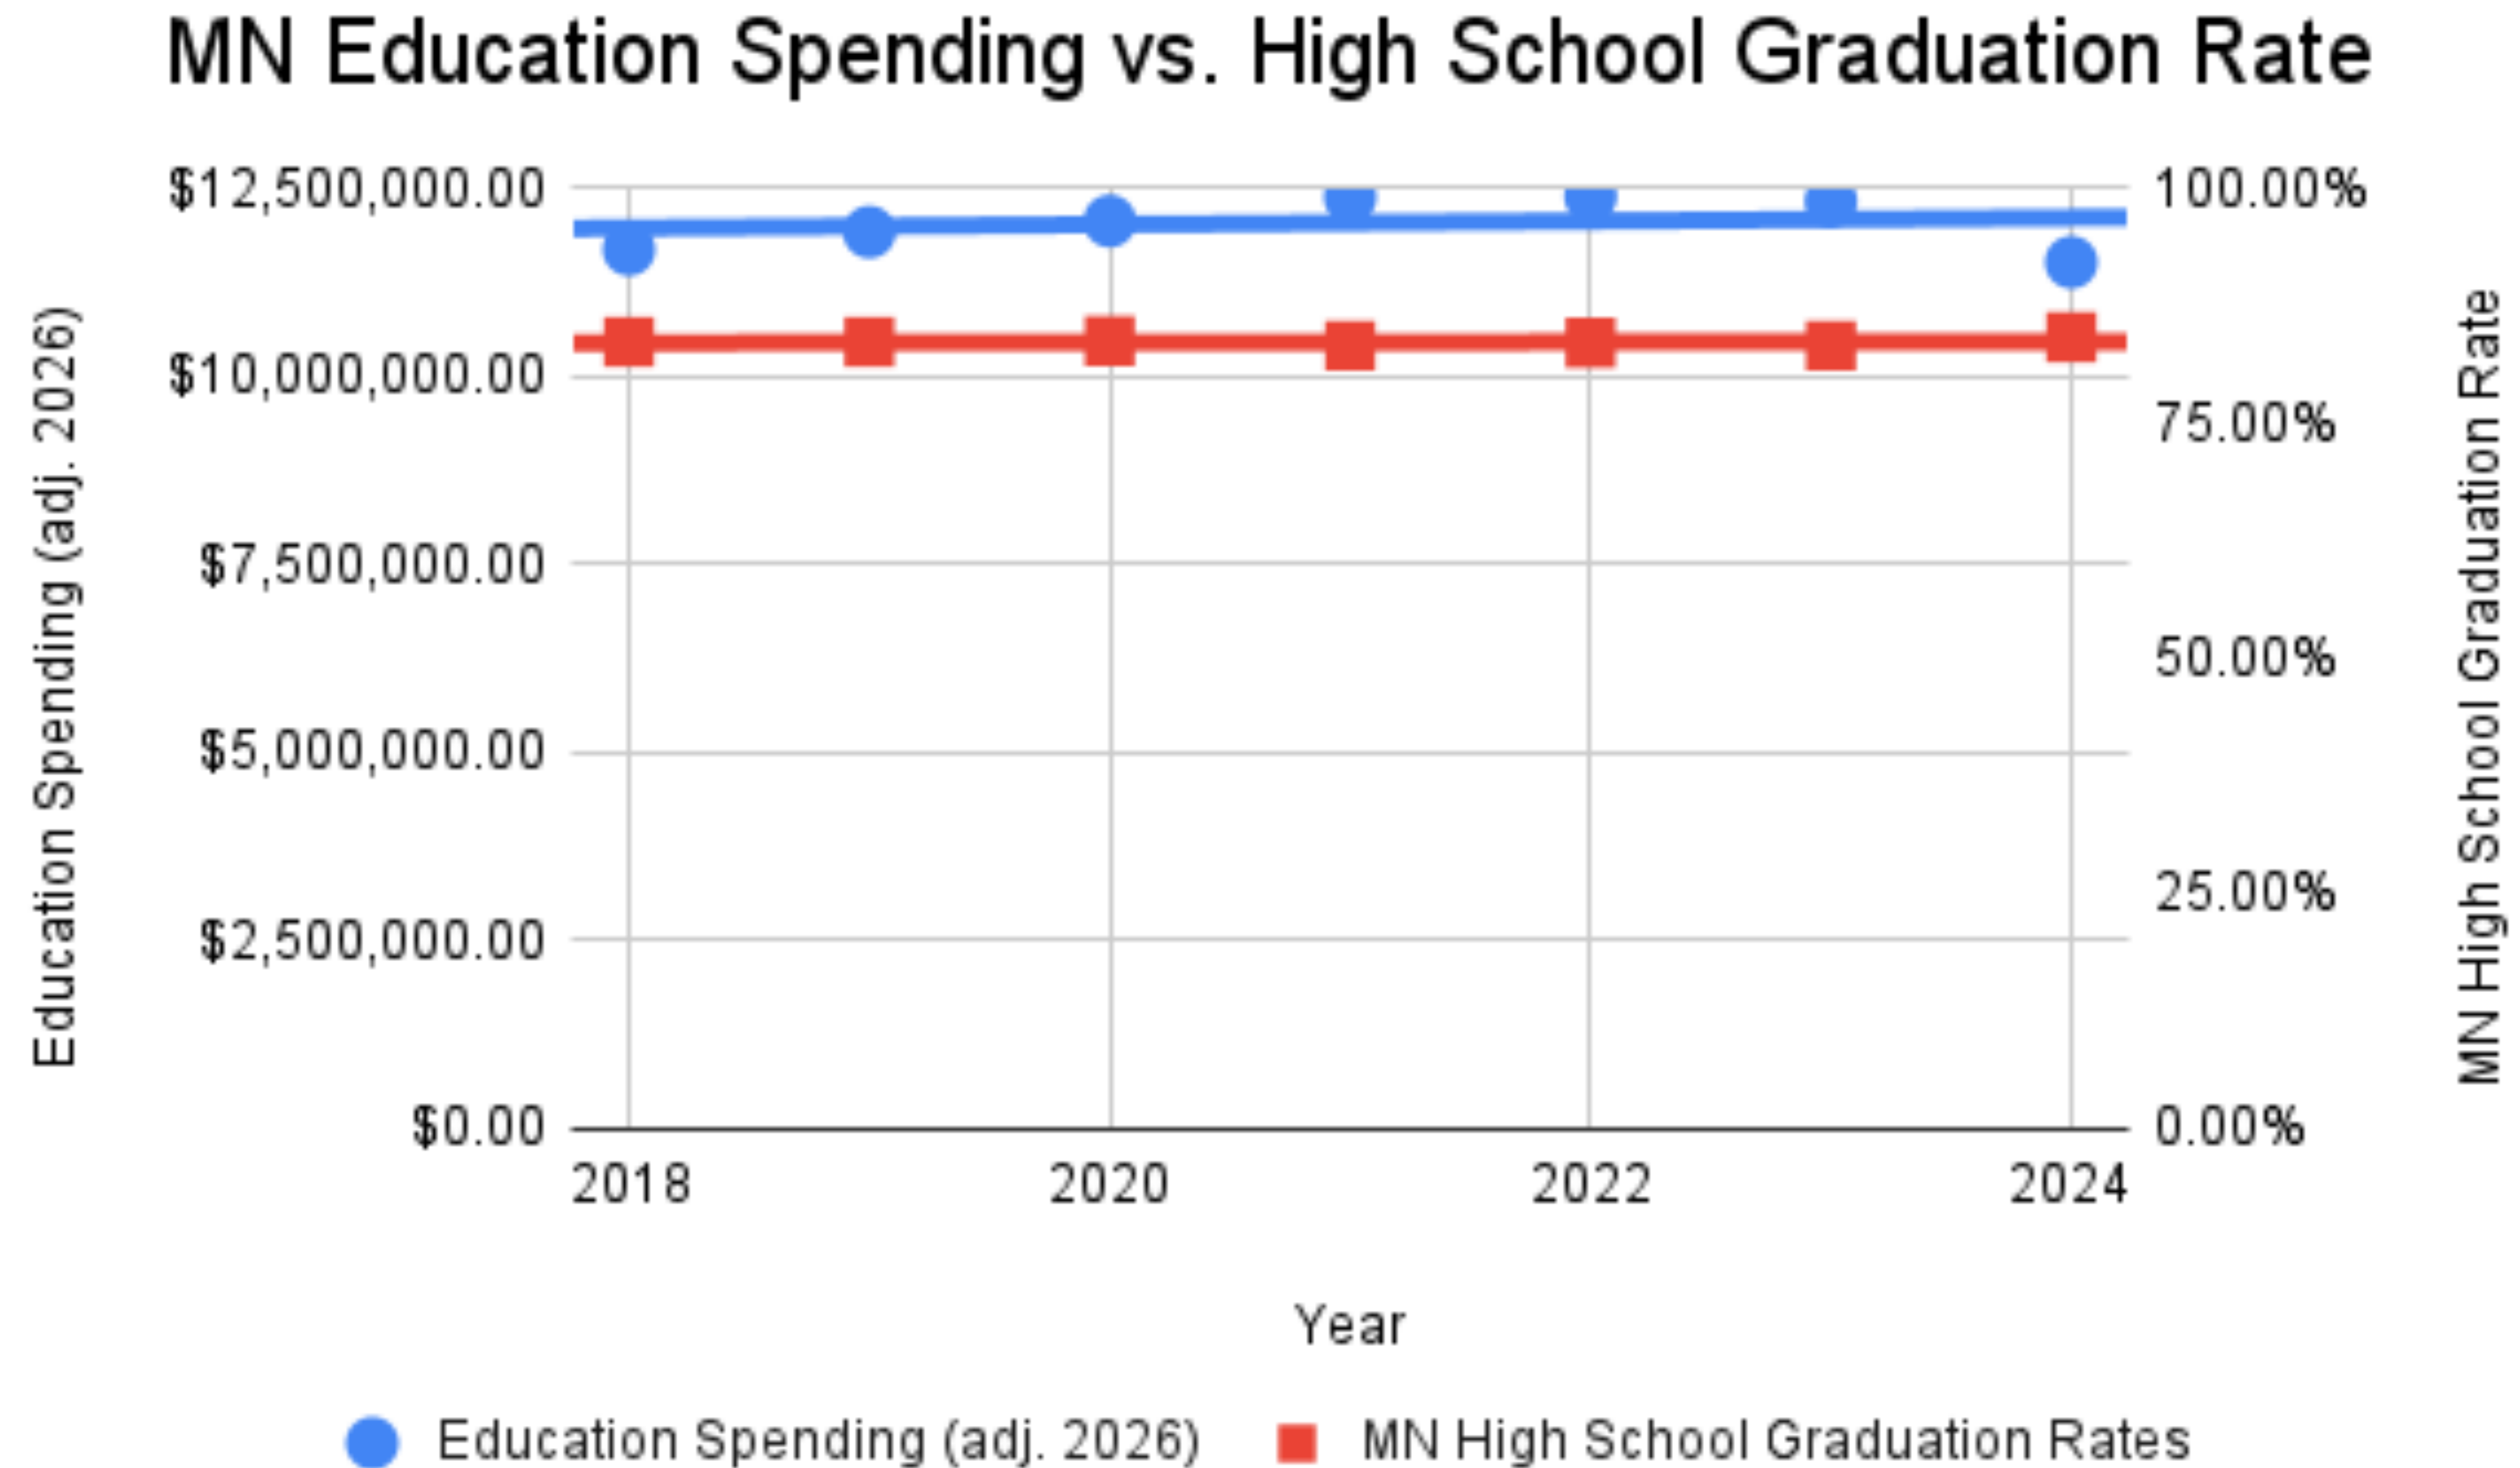

Mavis C. (64A) Eleanor F. (64B), Bahati S. (67B), and Willa B. (64A)

We want the homeless rate to go down. One way to do that is for Minnesota to up its spending on housing support. Please vote for upping housing support.

Group 19

Rajan A. (66A), James D. (44A), and Julio Y. (67A)

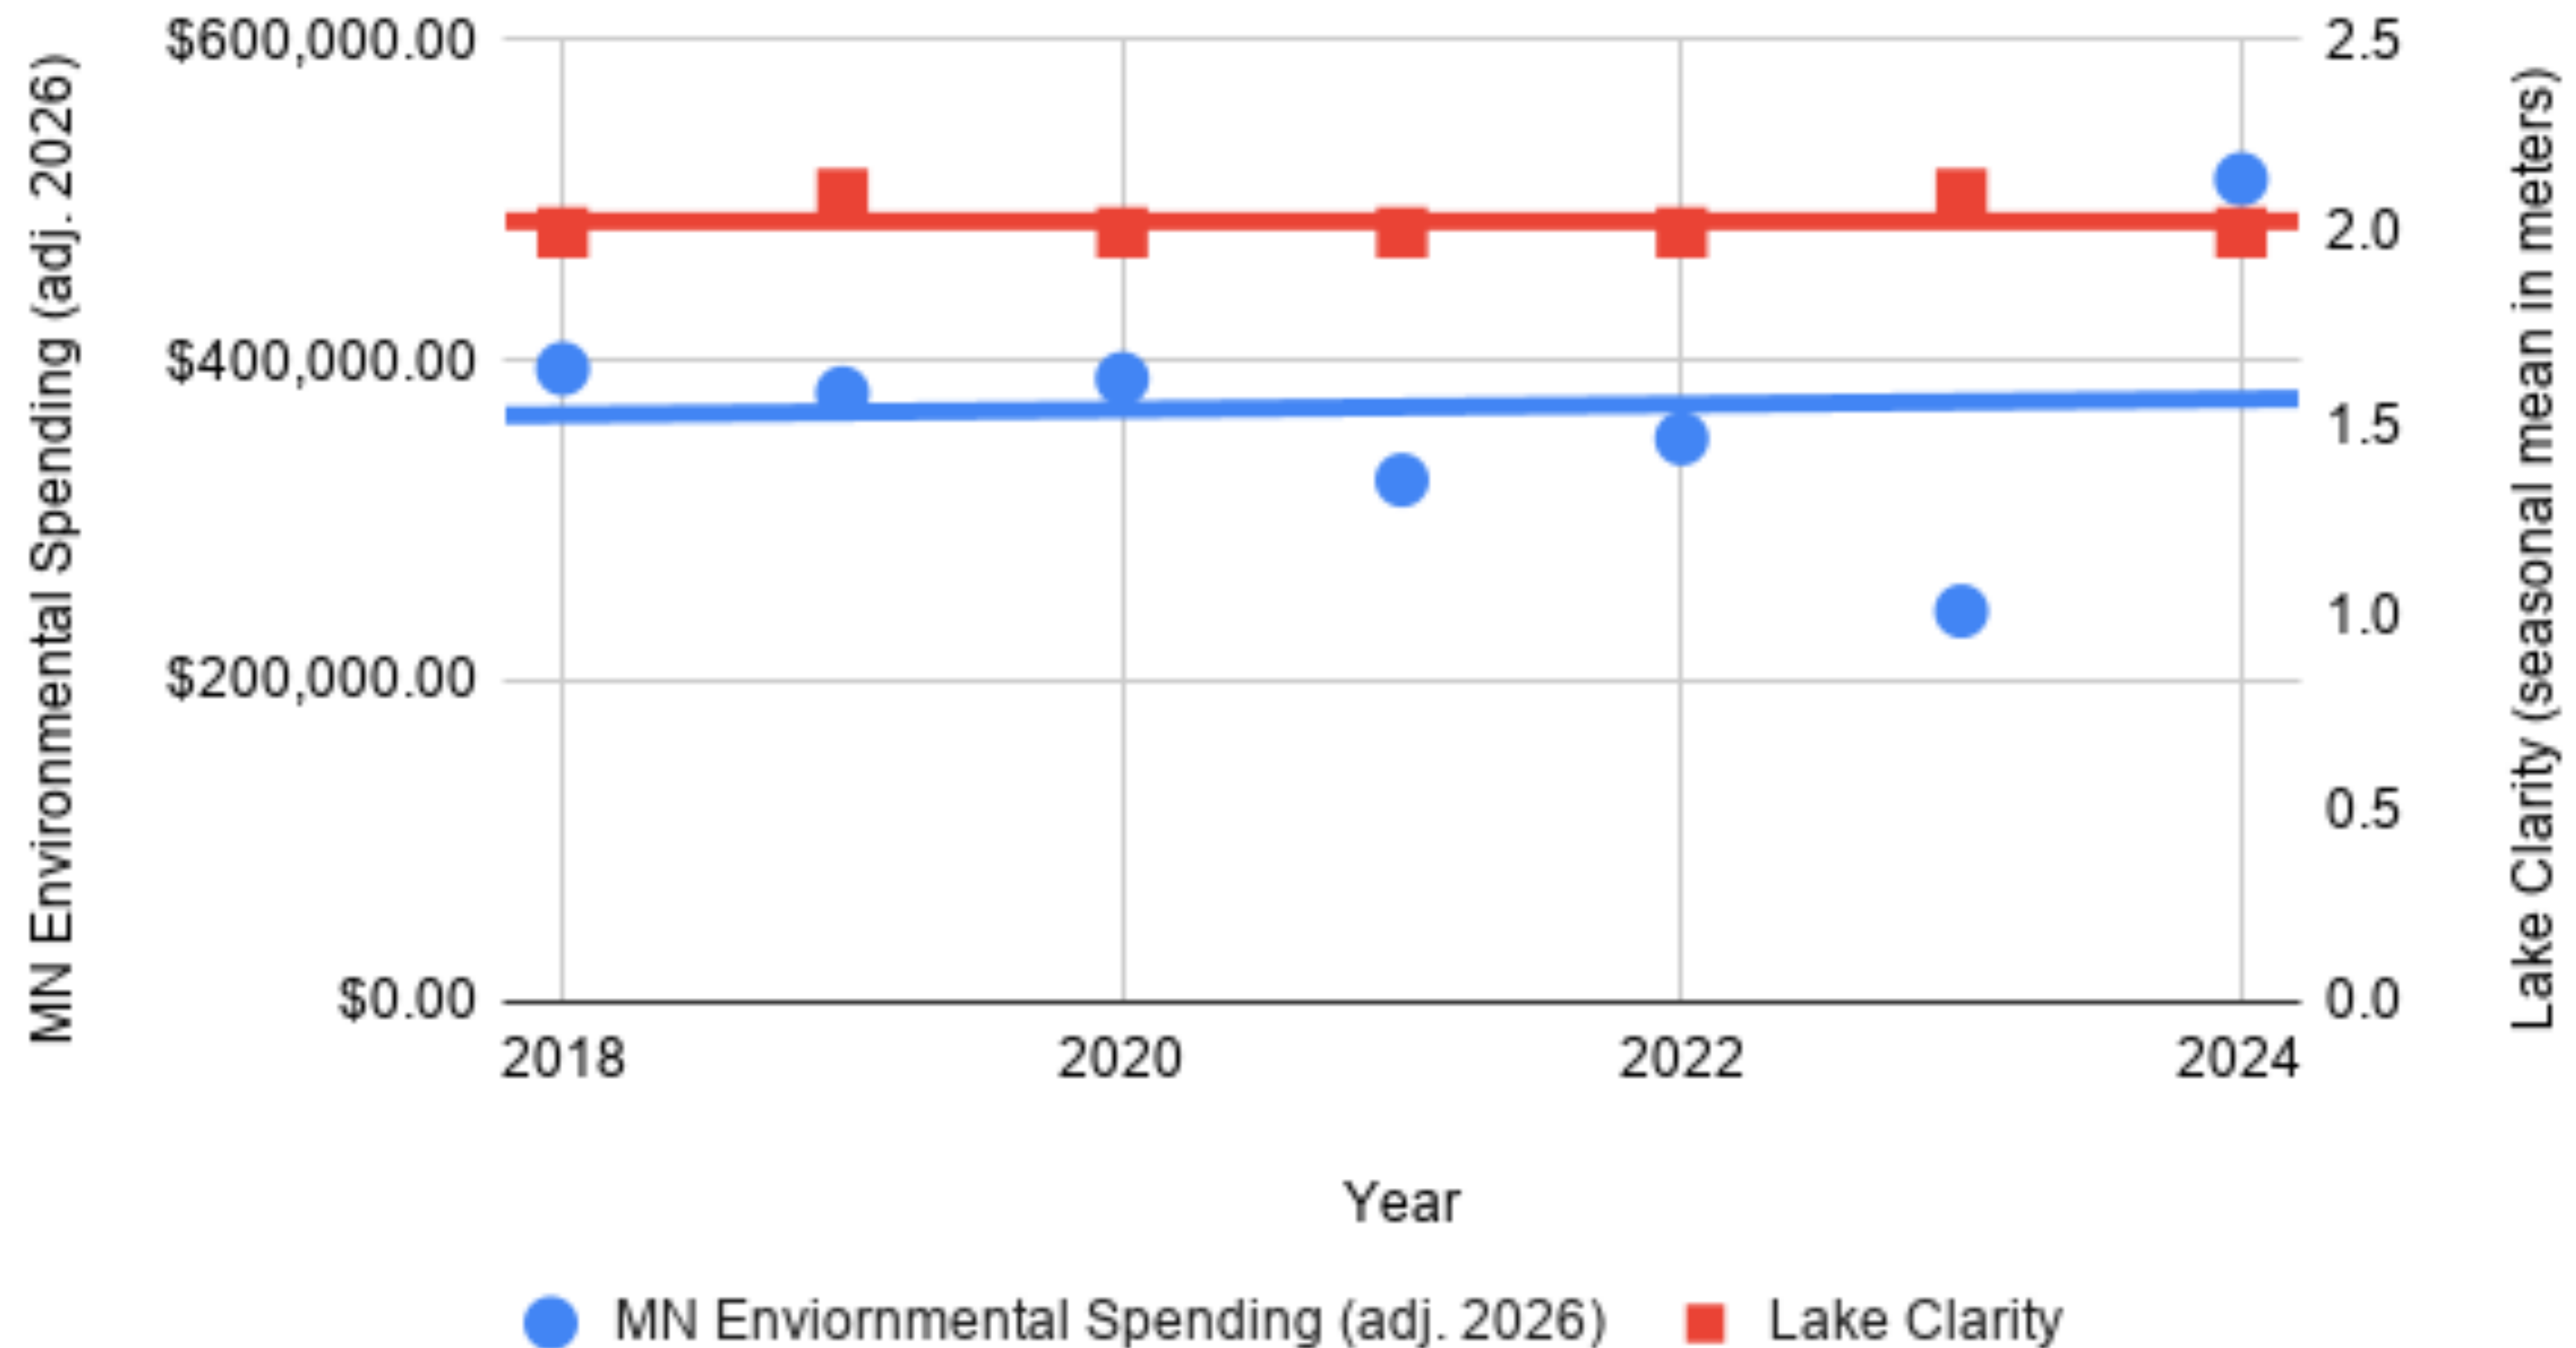

Increasing funding for schools would help students like Adolfo, providing more resources to excel in school and live a successful life after high school.

Group 20

Edmund K. (64A), Declan P. (64B), Soren S. (66B), and Rafael H. (65A)

MN Environmental Spending vs. Lake Clarity

Minnesota's natural bodies of water should be more closely and consistently monitored for the betterment of our state's health and wellness.
