A WRINKLE IN TIME

December 10, 11, 12

Photo wih flash and ALL video is strictly prohibited

Plot Summary

A Wrinkle in Time follows Meg Murray, a troubled young girl who is trying to find her place in the universe. Meg's scientist father has gone missing under mysterious circumstances, and with the help of her precocious younger brother Charles Wallace and their popular neighbor Calvin, she sets off on a mind-bending adventure to find him. Guided by a trio of magical beings, the eccentric kids journey the cosmos to fight against the all-consuming power of IT, who's evil shadow is threatening to overtake Earth. Along the way they are challenged to embrace their imperfections, and come to understand that their love for each other may just be their greatest weapon.
